

FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 22 GT FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

Attributes

- Name: [FORSTER PRODUCTS, INC. 22 GT FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430102665
- Mfr. No.: 5136

Safety Instruction Guide for Forster Full Length Sizing Dies

Introduction

Thank you for choosing the Forster Full Length Sizing Die. This guide provides essential safety information and instructions to ensure safe and effective use of this product. Please read this guide carefully before using the die.

General Safety Guidelines

- **Product Safety:** Ensure that you use this die according to the instructions to prevent any accidents or injuries.
- **Enhanced Recalls:** Be aware that any recalls will be communicated clearly, and remedies will be provided for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact for assistance.
- **Rapid Alerts:** Stay informed about any safety updates related to this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die.
- Ensure that your workspace is clean and well-lit to avoid accidents.
- Keep the die out of reach of children and pets when not in use.
- Do not use the die if it appears damaged or worn; inspect it regularly for signs of wear.
- Follow all instructions carefully to avoid improper use that could lead to accidents or injuries.
- Ensure that your reloading equipment is compatible with the die to prevent malfunctions.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove any existing die from the press.
- Clean the threads of the press to ensure proper fit.
- Carefully screw the Forster Full Length Sizing Die into the press until it is snug.
- Use the Forster Cross Bolt Die Locking Ring to secure the die in place without damaging the threads.

2. Usage:

- Insert a clean, empty cartridge case into the die.
- Ensure that the case is correctly positioned and aligned.
- Pull the press handle smoothly to size the case.
- Check the case for proper sizing and concentricity after sizing.
- If using the EZ Out Expander button, ensure it is positioned correctly to maintain case neck alignment.

3. PostUse:

- Clean the die after use to remove any debris or residue.
- Store the die in a safe, dry place to prevent rust and damage.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste if it is considered hazardous.
- Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Forster Full Length Sizing Die, please refer to the designated EU-based contact for assistance. It is essential to ensure that all safety inquiries are directed to the appropriate source for prompt resolution.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Forster Full Length Sizing Die. Thank you for your attention to safety.
