

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 6 GT FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 6 GT FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430102666
- Mfr. No.: 5273
- Cartridge: 6 GT
- Diameter (in): 0.875
- Die Style: Full Length Die
- Delivery weight: 0.265kg
- Shipping height: 48mm
- Shipping width: 48mm
- Shipping length: 171mm

# Safety Instruction Guide for FULL LENGTH SIZING DIES FORSTER PRODUCTS, INC. 6 GT FULL LENGTH SIZING DIE

## Introduction

Thank you for choosing the Forster Full Length Sizing Die. This product is designed to provide you with highquality reloading capabilities. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Keep the workspace clean and organized to prevent accidents.
- Store the product in a safe place, out of reach of children and pets.
- Regularly inspect the die for any signs of damage or wear before each use.
- Do not attempt to modify or repair the die yourself; consult a professional if issues arise.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Be aware of the potential hazards associated with reloading, including the handling of powders and primers.
- Use the die only with the recommended cartridges as specified by the manufacturer.
- Avoid overtightening the die, which may cause damage or affect performance.
- Always ensure that the die is securely mounted in the reloading press before use.
- Keep hands and clothing clear of moving parts during operation.
- Follow all local laws and regulations regarding the reloading of ammunition.

## Instructions for Installation and Usage

### 1. Installation

- Carefully unpack the die and inspect for any damage.
- Mount the die securely in your reloading press according to the manufacturer's instructions.
- Ensure the Forster Cross Bolt Die Locking Ring is tightened properly to hold the die in place.

### 2. Usage

- Adjust the die to the desired depth for sizing the case.
- Insert the case into the die and operate the press to resize the case.
- Use the EZ Out Expander button to maintain concentricity during the neck expanding operation.
- Periodically check the alignment of the case neck and die during operation.
- After use, clean the die to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not throw the die in regular trash if it is still functional; consider recycling if possible.
- Follow local guidelines for the disposal of hazardous materials, if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the Forster Full Length Sizing Die, please consult the manufacturer's website or customer service for support. Always ensure that you have the latest information regarding product safety and recalls.

Thank you for your attention to these safety guidelines. Your safety is our priority.
