

FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 277 FURY

FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

Safety Instruction Guide for FULL LENGTH SIZING DIES

Introduction

Thank you for choosing the Forster 277 Fury Full Length Sizing Die. This guide provides essential safety instructions to ensure safe handling, installation, and usage of the product. Please read this manual carefully before use to understand the safety guidelines and precautions.

General Safety Guidelines

- Always handle the die with care to prevent injury.
- Keep the die out of reach of children and vulnerable individuals.
- Ensure you are using the die for its intended purpose only.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while reloading.
- Ensure that your work area is clean and free of distractions.
- Do not exceed recommended load limits while using the die.
- Always doublecheck measurements to ensure accuracy.
- Avoid using the die if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation:

- Secure the die in a compatible reloading press according to the manufacturer's instructions.
- Ensure the die is tightened properly to prevent movement during use.
- Attach the Forster Cross Bolt Die Locking Ring according to the provided instructions.

2. Usage:

- Before reloading, inspect the cases for any damage or defects.
- Insert the case into the die and ensure it is seated properly.
- Operate the reloading press smoothly and consistently to maintain concentricity.
- Use the EZ Out Expander button to expand the neck of the case, ensuring it is positioned correctly.
- After use, remove the die from the press and clean it to maintain its condition.

Disposal Instructions

- Dispose of any used or damaged dies in accordance with local waste disposal regulations.
- Do not throw away dies in regular household waste. Instead, contact your local recycling center for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Forster 277 Fury Full Length Sizing Die, please refer to the manufacturer's official website or customer service channels.

Conclusion

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Forster 277 Fury Full Length Sizing Die. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention to safety.
