

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 22 GT FULL LENGTH BENCH REST DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Attributes

Safety Instruction Guide for Forster Products, Inc. 22 GT Full Length Bench Rest Die Set

Introduction

Thank you for choosing the Forster Products, Inc. 22 GT Full Length Bench Rest Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the die set.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using the die set.
- Ensure that the die set is used in a wellventilated area.
- Keep the die set and all components out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before each use. Do not use a damaged die set.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling the die set.
- Be aware of your surroundings and ensure that no one else is in the vicinity when operating the die set.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die set may have sharp edges that can cause cuts or injuries.
 - Improper handling or use may lead to accidents, including misfires or damage to the firearm.
- **Avoiding Hazards:**
 - Always handle the die set with care to prevent cuts or injuries.
 - Ensure that the reloading area is clear of distractions and hazards.
 - Do not attempt to modify or alter the die set in any way.
 - Follow all recommended procedures for reloading ammunition to avoid accidents.
- **AgeSpecific Warnings:**
 - This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised by a qualified adult when using this product.

Instructions for Installation and Usage

1. Installation:

- Select a suitable reloading press that is compatible with the Forster die set.
- Secure the press on a stable workbench to prevent movement during use.
- Install the sizing die in the press according to the manufacturer's instructions.
- Adjust the die to the desired setting for your specific cartridge.

2. Usage:

- Ensure that all components are clean and free from debris before starting the reloading process.
- Follow the reloading procedures as outlined in the reloading manual specific to your cartridge.
- Use the EZ case neck expander system carefully to avoid damaging the cases.
- After reloading, inspect the completed rounds for any defects before use.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste. Follow local laws for

the safe disposal of ammunition.

Contact Information for Further Support

For any questions or concerns regarding the Forster Products, Inc. 22 GT Full Length Bench Rest Die Set, please consult the product packaging or visit the manufacturer's website for further assistance.

Conclusion

Following these safety instructions and guidelines will help ensure a safe and successful reloading experience. Always prioritize safety and adhere to all recommended practices when using the Forster die set. Thank you for your commitment to safe reloading practices.
