

308 AR M5 LOWER RECEIVER - AERO PRECISION M5 STRIPPED LOWER RECEIVER FOR AR .308 ODG CERAKOTE

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

The Aero Precision M5 308 Lower Receiver allows you to build a custom big-bore AR from the ground up. Mil-spec dimensions and coating ensure the highest quality and correct component interface. Receiver fits DPMS pattern components, including magazines and upper receivers. Machined from 7075-T6 aluminum, and finished with a matte black hard-coat anodized Mil 8625 Type 3 Class 2 finish. Rear takedown pin detent hole threaded 4-40 to allow for a set screw to retain the takedown pin. Bolt catch is threaded for a screw pin, so that no roll pin is needed. Integrated trigger guard and selector markings that function with 45, 60 or 90 degree safety selectors. Accepts Battle Arms Development short throw safety selectors (100-009-866), but also functions with standard safeties.

Safety Instruction Guide for the Aero Precision M5 .308 Lower Receiver

Introduction

Thank you for choosing the Aero Precision M5 .308 Lower Receiver. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read all sections carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm assembly and use.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep firearms out of reach of children and unauthorized users.
- Use protective gear, such as safety glasses and gloves, when handling or working on firearms.
- Regularly inspect your firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check the EU's Safety Gate platform for recall updates on this product.

Specific Safety Precautions for Use

- Only use components that are compatible with the DPMS pattern.
- Ensure that the receiver is properly installed before use.
- Do not modify the lower receiver in any way that could compromise its integrity or safety.
- Be aware of the potential for accidental discharge; always follow safe firearm handling practices.
- Use only the recommended tools and methods for installation to avoid injury.
- Ensure that the takedown pin is securely fastened before handling the firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and components before beginning installation.
- Work in a clean, welllit area free from distractions.

2. Installation Steps:

- Carefully read the manufacturer's instructions for all components being used.
- Align the Aero Precision M5 .308 Lower Receiver with the upper receiver and ensure a snug fit.
- Secure the rear takedown pin using the provided set screw.
- Install the bolt catch using the threaded screw pin provided; avoid using roll pins.
- Attach the trigger guard and ensure it is properly secured.
- Install the safety selector, ensuring it is compatible with the integrated markings for 45, 60, or 90degree settings.

3. Usage Guidelines:

- Before firing, conduct a thorough safety check of the assembled firearm.
- Always use appropriate ammunition that matches the specifications of the lower receiver.
- Follow all standard firearm safety protocols while loading, unloading, and firing.

Disposal Instructions

- Dispose of any unwanted or damaged components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the appropriate EUbased contact as indicated in the product packaging or official website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Aero Precision M5 .308 Lower Receiver. Always prioritize safety and compliance with local laws and regulations.
