# AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P365XL Safety Instruction Guide

## Introduction

Thank you for choosing the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P365XL. This product is designed for superior performance and reliability. To ensure your safety and the effective use of this slide, please read and follow the safety instructions and guidelines provided in this document.

## General Safety Guidelines

- Ensure safe handling of the slide to prevent accidents.
- Always follow local laws and regulations regarding firearm modifications.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the slide for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on recall notices and product safety information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always treat the slide as if it is loaded. Keep your finger off the trigger until ready to shoot.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting which may lead to malfunction.
- **Optic Compatibility:** Ensure that the optics you choose are compatible with the slide's footprint to avoid misalignment.
- **Shooting Environment:** Use the slide in a safe and controlled environment. Ensure that the area is clear of bystanders.
- **Maintenance:** Regularly clean and maintain the slide to ensure optimal performance and longevity.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools for installation, including screws and a screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing slide from the firearm according to the manufacturer's instructions.
- Align the AXIOM SLIDE with the frame of the SIG SAUER P365XL.
- Secure the slide using the provided screws. Ensure they are tightened to the manufacturer's specifications.
- If using an optic, install the anodized black optic cover plate if the optic is not being used.

### 3. Usage:

- Load the firearm as per standard safety procedures.
- Test the slide in a controlled environment to ensure proper functionality.
- Familiarize yourself with the features of the slide, including the serrations and cut windows.

### 4. PostUse Care:

- Clean the slide after each use to remove any residue or debris.

- Store the slide in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm components and materials.
- Do not dispose of the slide in regular household waste. Contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P365XL, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safer experience with your AXIOM SLIDE. Thank you for your attention to safety and responsible firearm handling.
