

RUGER® 10/22® TRIGGER GUARD 2000 - VOLQUARTSEN TG2000 DROP-IN REPLACEMENT TRIGGER FOR RUGER 10/22 FDE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Machined Billet Housing Drops In For Precise, Consistent Trigger Pull

Completely new, CNC machined trigger housing with precision EDM trigger parts all pre-fitted and ready to drop-in, for a crisp, clean trigger pull. Hardened EDM sear and disconnecter have tolerances held to +/- .0002". Hardened stainless steel hammer has notches surface ground to achieve the correct engagement angles, provides long-wearing performance. Reduced power hammer and sear springs lighten pull. Trigger includes overtravel adjustment. Hardened, polished trigger plunger is repositioned to depress directly to the rear as trigger is pulled; plunger spring is redesigned for better response. Oversized hammer, sear and action pins remove wobble that ruins a great action job. Includes auto bolt release and extended magazine release.

Safety Instruction Guide for RUGER® 10/22® Trigger Guard 2000 Volquartsen TG2000 DropIn Replacement Trigger

Introduction

Thank you for choosing the RUGER® 10/22® Trigger Guard 2000 Volquartsen TG2000 DropIn Replacement Trigger. This product is designed to enhance the performance of your RUGER 10/22 firearm. To ensure safe and effective use, please carefully read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Store firearms and ammunition separately and securely.
- Ensure that you are familiar with local laws and regulations regarding firearm modifications and usage.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Only use compatible parts and accessories with your RUGER 10/22 firearm.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adult users only. Ensure that minors are supervised at all times when handling firearms.
- **Installation Precautions:** Only install the trigger if you have the necessary skills and tools. If unsure, seek professional assistance.
- **Testing:** After installation, conduct a function test in a safe environment. Ensure the trigger operates correctly before using the firearm.
- **Maintenance:** Regularly clean and maintain the trigger and firearm to ensure optimal performance and safety.
- **Hazard Awareness:** Be aware of the potential for accidental discharge. Always follow safe handling practices.

Instructions for Installation and Usage

1. **Read the Manual:** Before installation, read the firearm's manual and this guide thoroughly.
2. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required equipment.
3. **Unload the Firearm:** Ensure that the firearm is completely unloaded. Remove all ammunition from the vicinity.
4. **Remove the Old Trigger:**
 - Open the action and remove the trigger guard.
 - Carefully detach the old trigger and any associated components.
5. **Install the New Trigger:**
 - Insert the new Volquartsen TG2000 trigger into the trigger housing.
 - Ensure that all components are aligned correctly.
 - Secure the trigger guard back in place.
6. **Adjust Overtravel:** Use the provided adjustment mechanism to set the desired overtravel.
7. **Function Test:**
 - With the firearm still unloaded, conduct a function test.
 - Pull the trigger to ensure smooth operation.
 - Check that the hammer and sear engage properly.

8. **Final Check:** Recheck all components to ensure they are secure and functioning as intended.
9. **Store Safely:** After installation, store your firearm and trigger securely until ready for use.

Disposal Instructions

- Dispose of any old or unused parts in accordance with local regulations.
- Do not dispose of any firearm components in regular waste. Follow guidelines for hazardous waste disposal if applicable.
- Ensure that all components are rendered unusable before disposal.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or customer service resources. Ensure that you have the product details on hand for accurate support.

Thank you for taking the time to read this safety instruction guide. Your safety and the safe operation of your firearm are our top priorities. Always prioritize safety and responsible use.
