We actually tracked down the original company that manufactured the Colt® AR-15 optics of the 1970s and asked them to build a new one for us as close to the original as possible - right down the yellow inspection stickers. The Retro 4x Optic has updated technology under the hood, with modern lenses and construction. The result is a scope that looks just like the original but has optical clarity and performance that are head and shoulders above it. Attaches to any standard AR-15/M16 carry handle Fully Multicoated lenses are fog and waterproof BDC click-adjustable elevation turret Manufactured in Japan with high quality internals and lenses The Retro 4x Carry Handle Optic sports a simple, intuitive fine duplex reticle, like the original, and an elevation turret with BDC (ballistic drop compensated) clicks that closely match modern .223/5.56 55gr and 62gr ammo. As its name indicates, the Retro 4x comes with an integral carry handle mount that easily attaches to most AR-15 carry handles - no tools required. As with all products we sell, this scope is fully backed by our Forever Guarantee.

# Safety Instruction Guide for the AR15 4X Carry Handle Scope

## Introduction

Thank you for choosing the AR15 4X Carry Handle Scope. This guide provides essential safety information and instructions to ensure the safe and effective use of your new scope. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the scope is used only for its intended purpose.
- Always handle firearms and accessories with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or malfunction.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the scope.
- Avoid looking directly into the sun through the scope, as this may cause permanent eye damage.
- Do not use the scope in conditions that exceed its specifications, such as extreme temperatures or humidity.
- Be aware of your surroundings and ensure that your line of sight is clear before taking aim.
- Use the scope in accordance with the manufacturer's instructions to avoid accidents.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Attach the Scope:**
  - Align the integral carry handle mount of the scope with the carry handle of the AR15.
  - Firmly press the scope down onto the carry handle until it is securely in place. No tools are required.
3. **Check Alignment:** Make sure the scope is aligned properly for optimal performance.

### Usage

1. **Adjusting the Reticle:** Familiarize yourself with the fine duplex reticle and BDC clickadjustable elevation turret.
2. **Setting the Magnification:** The maximum magnification is 4x. Adjust as necessary for your shooting conditions.
3. **Eye Relief:** Ensure that you maintain an eye relief of approximately 3.11 inches for safe viewing.
4. **Focusing:** Look through the scope and adjust the focus if necessary to achieve a clear image.

## Disposal Instructions

- Dispose of the scope in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste.
- Check with local authorities for proper disposal methods.
