

# AR TAKEDOWN TOOL - THE AR TAKEDOWN TOOL

[Gunsmith Tools](#) > [Rifle Tools](#) > [Receiver Tools](#)

**AR TAKEDOWN TOOL** The AR Takedown Tool™ is the ultimate multi-tool, meticulously engineered to revolutionize your AR-15 maintenance and field stripping. Designed as a single, compact solution, it eliminates the need for bulky toolkits and cumbersome hammers. **KEY FEATURES & CORE BENEFITS:**  
**Hammerless Function:** Experience quiet, efficient, and damage-free firearm disassembly. This innovative design allows you to breakdown your entire AR-15 with a single, pen-sized tool—no hammers needed. **Multifunctional Power:** Performs 12 separate functions, making it the most comprehensive field stripping tool for all AR platforms. It effortlessly handles tasks from removing takedown and trigger pins to detent pins, buffer and spring, firing pin, bolt carrier group, charging handle, cotter pins, pressure pins, roll pins, and M4 A1 sites. It also serves as a versatile pivot pin tool. **Damage-Free Brass Composition:** All contact points are precisely crafted from brass, ensuring optimal preservation of your firearm's finish and components during use. **5,000 PSI Force:** Delivers powerful, controlled force for quick, precise, and more efficient takedown and assembly than ever before. **Built For Professionals & Enthusiasts:** Trusted and utilized daily by military, law enforcement, and professional gunsmiths, ensuring unparalleled reliability and performance. **Extreme Durability:** Every tool features a robust black oxide heat treat, guaranteeing long-lasting performance in any condition. **Compact & Efficient:** Sleek, small, and designed to replace heavy roll punches, mallets, and a cluttered array of other tools, saving you time, weight, and frustration. **Patented Technology:** This revolutionary tool is patented, trademarked, and copywritten, ensuring its unique design and superior functionality. **PRODUCT DETAILS / SPECS** **Brand:** AR Takedown Tools **Model:** AR Takedown Tool™ (AR-TT™) **Tool Type:** 12-in-1 Hammerless Multi-Tool **Compatibility:** Designed for the entire AR Platform (AR-15, M4, etc.) **Key Functionality:** Complete field stripping, disassembly, and assembly of various AR components including: Takedown Pins Trigger Pins Detent Pins Buffer & Spring Firing Pin Bolt Carrier Group Charging Handle Cotter Pins Pressure Pins Roll Pins M4 A1 Sites Pivot Pin Tool Function Force Generated: 5,000 PSI Contact Points Material: Brass (Prevents Firearm Damage) Tool Body Material: Heat-Treated Black Oxide Steel (Durable Finish) Weight: 2 oz Overall Length: 6 - 5/16" Diameter: 1/2" Manufacturing: 100% Made in USA (Tool & Packaging)

# AR Takedown Tool Safety Instruction Guide

## Introduction

Thank you for choosing the ARTT Takedown Tool™. This tool is designed to assist you in safely field stripping your AR platform. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the ARTT Takedown Tool™ in accordance with the instructions provided.
- Ensure that the tool is in good condition before each use. Inspect for any signs of damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Use the tool only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tool.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the takedown tool.
- Do not force the tool into any part of the firearm. If resistance is encountered, reassess the situation before proceeding.
- Use the reversible end of the tool according to the size needed for the specific pins and components.
- Do not attempt to modify or alter the ARTT Takedown Tool™ in any way.
- Store the tool in a safe and dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary components and tools.

### 2. Using the Tool:

- Identify the pins and components you need to remove.
- Select the appropriate end of the ARTT Takedown Tool™ for the task.
- Insert the tool into the pin or component you wish to remove.
- Apply gentle pressure to remove the pin or component. If it does not come out easily, do not force it.
- Once the pin or component is removed, set it aside in a safe location.

### 3. Reassembly:

- To reassemble, align the components and pins as required.
- Use the ARTT Takedown Tool™ to insert the pins back into their respective places.
- Ensure all components are securely in place before handling the firearm again.

### 4. Final Check:

- After reassembly, conduct a final safety check to ensure the firearm is functioning properly before use.

## **Disposal Instructions**

- Dispose of the ARTT Takedown Tool ™ responsibly if it becomes damaged beyond repair.
- Follow local regulations for disposal of tools and equipment.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any inquiries or further support regarding the ARTT Takedown Tool ™, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with the ARTT Takedown Tool ™. Thank you for your attention to these important guidelines.
