# SIG SAUER 320 MAGAZINES 9MM ELITE TACTICAL SYSTEMS GROUP MAGAZINE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SIG SAUER 320 Magazines 9mm Elite Tactical Systems Group Magazine. This safety instruction guide is designed to help you understand the proper use, handling, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe and effective use of your magazine.

## General Safety Guidelines

- Always treat your magazine as if it is loaded, even if you believe it is empty.
- Store the magazine in a cool, dry place away from direct sunlight and heat sources.
- Keep the magazine out of reach of children and unauthorized individuals.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not modify or alter the magazine in any way.
- Follow all local laws and regulations regarding firearm and magazine usage.

## Specific Safety Precautions for Use

- Before loading the magazine, ensure that the firearm is pointed in a safe direction.
- Use only compatible ammunition as specified (9mm Luger).
- Do not exceed the magazine's capacity (30round limit).
- Avoid using the magazine in extreme conditions (e.g., excessive heat, cold, or moisture).
- If the magazine becomes jammed or malfunctions, do not attempt to disassemble it while loaded.
- Always ensure that the magazine is properly seated in the firearm before use.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing up.
- Insert rounds into the magazine, ensuring they are aligned properly.
- Push down on each round until it is securely in place.

### 2. Inserting the Magazine into the Firearm

- Ensure the firearm is pointed in a safe direction and is on safe mode.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine from the Firearm

- Ensure the firearm is pointed in a safe direction and is on safe mode.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

### 4. Disassembly for Cleaning

- Ensure the magazine is unloaded before disassembly.
- Use the specially designed base plate to disassemble the magazine easily.
- Clean the magazine body and feed lips with a soft cloth.
- Reassemble the magazine once cleaned and dried.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, do not attempt to repair it.
- Recycle the magazine if possible, following local recycling guidelines for plastics.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please refer to the appropriate EUbased contact point or your local authorized dealer. Always ensure you are following the latest safety guidelines and product recalls as outlined on the EU's Safety Gate platform.

By following these safety instructions, you can ensure the safe and effective use of your SIG SAUER 320 Magazine. Thank you for your attention to safety.
