# Safety Instruction Guide for SIG SAUER P320 Spare Magazine Holder

## Introduction

Thank you for choosing the Strike Industries Spare Magazine Holder for your SIG SAUER P320. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the longevity of the product, please follow these guidelines:

- Always inspect the magazine holder for any damage before use.
- Keep the magazine holder out of reach of children and vulnerable individuals.
- Use only compatible magazines with the SIG SAUER P320 Spare Magazine Holder.
- Do not exceed the manufacturer's weight limit for the holder.
- Be aware of your surroundings when using the magazine holder to avoid accidents.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

When using the SIG SAUER P320 Spare Magazine Holder, please observe the following precautions:

- Ensure that the magazine is securely locked in place before carrying.
- Avoid exposing the holder to extreme temperatures or harsh chemicals.
- Do not modify the holder in any way that could compromise its integrity.
- Always use the holder in accordance with the manufacturer's instructions.
- If you experience any difficulty with the magazine holder, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the magazine holder:

### 1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Locate the Picatinny rail on your P320 grip module.
- Align the magazine holder with the rail at a 5° forward angle.
- Secure the holder using the provided set screw (M5x30mm Socket) and nut (M5).
- Tighten the screws using the included Torx tool [T27] until the holder is firmly attached.
- For additional security, apply Loctite® Threadlocker Blue 243® to the threads of the screws.

### 2. Usage:

- To insert a magazine, press the extended button on the SI Modular Magazine Release.
- Ensure the magazine is seated properly and locked in place.
- To remove the magazine, press the extended button and pull the magazine out gently.
- Regularly check the magazine holder for wear and tear, especially after extensive use.

## **Disposal Instructions**

When disposing of the magazine holder, please follow these guidelines:

- Check local regulations for the proper disposal of polymer materials.
- If the product is damaged or no longer usable, dispose of it in accordance with local waste management guidelines.
- Do not incinerate the magazine holder, as this may release harmful chemicals.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG SAUER P320 Spare Magazine Holder, please refer to the manufacturer's website or customer service for assistance. It is important to keep the product documentation for future reference.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of the Strike Industries Spare Magazine Holder for your SIG SAUER P320. Always prioritize safety and compliance with local laws and regulations when using firearm accessories. Thank you for your attention to these important safety guidelines.
