ULTRA SLIM LEVER MOUNT FOR RED DOT SIGHTS

Safety Instruction Guide

Introduction

Thank you for choosing the ULTRA SLIM LEVER MOUNT FOR RED DOT SIGHTS by ERATAC. This product is designed to enhance your shooting experience by providing a reliable and lightweight mounting solution for your Trijicon RMR sight. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's guidelines for installation and use.
- Regularly inspect the mount for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction or damage to your sight.
- Excessive force during installation may cause the mount to break or become misaligned.
- Using the mount with incompatible sights may result in unsafe conditions.

- **Avoiding Hazards:**

- Always ensure that the mount is securely fastened before use.
- Do not overtighten the clamping mechanism to avoid damaging the picatinny rail or the mount itself.
- Confirm compatibility with your specific sight model before installation.
- Use appropriate tools to avoid injury during installation.

- **Age and Audience Specific Warnings:**

- This product is not intended for use by children without adult supervision.
- Ensure that all users are familiar with the safe handling and operation of firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that your firearm is unloaded and in a safe condition.
- Select the appropriate height for your mount (1.15" or lower).
- Align the mount with the picatinny rail on your firearm.
- Secure the mount using the clamping mechanism, ensuring it is snug but not overly tight.
- Doublecheck that the mount is securely fastened and does not wobble.

2. Usage:

- Once installed, familiarize yourself with the operation of your red dot sight.

- Regularly check the mount for stability and any signs of wear.
- Do not attempt to adjust the mount while the firearm is loaded or in a potentially unsafe condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the ULTRA SLIM LEVER MOUNT, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and compliance while using the ULTRA SLIM LEVER MOUNT FOR RED DOT SIGHTS. Enjoy your shooting experience!
