Safety Instruction Guide

Introduction

Thank you for choosing the ULTRA SLIM LEVER MOUNT for Red Dot Sights by ERATAC. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand proper usage, installation, and disposal of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the mount and attached equipment with care to prevent accidents.
- Keep the mount out of reach of children and vulnerable individuals.
- Regularly check for wear and tear or any damage to the mount.
- If the mount shows signs of damage, do not use it and contact a professional for assessment.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the mount is securely attached to the picatinny rail before use.
- Avoid using excessive force when adjusting the lever to prevent damage.
- Do not modify the mount in any way, as this may compromise safety and functionality.
- Be aware of your surroundings when using the mount and attached equipment.
- Use protective eyewear when engaging in activities that involve shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Position the mount on the picatinny rail at the desired location.
- Adjust the clamping mechanism to fit securely on the rail.
- Tighten the lever until the mount is firmly in place, ensuring it does not move.

2. Usage:

- After installation, check the mount for stability before each use.
- If necessary, make adjustments to the lever for optimal performance.
- Regularly inspect the mount during use to ensure it remains secure.

3. Maintenance:

- Clean the mount with a soft cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the finish.
- Inspect all functional parts regularly for signs of wear.

Disposal Instructions

- Dispose of the mount in accordance with local regulations.
- Do not dispose of the mount in general waste if it contains any hazardous materials.
- Consider recycling components where possible.
