[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The DAKA Utility Organizer, Large is a durable, weather-resistant, compact case designed to protect, store, and secure your important everyday use gear. Reinforced by its semi-rigid construction, the Utility Organizer, Large provides more room to protect important items, making it the perfect admin pouch, travel kit, large electronics case, range accessory kit, and storage kit for just about anything you want to have handy. The exterior features a water-resistant YKK® AquaGuard® zipper with a large zipper pull for easy access and closure. The oversized pull tab and carabiner pass-through keep your gear at hand when you need it, and the pen dot matrix makes ID of what's stored within easy. The left interior panel consists of one main back-side pocket, one mesh pocket, four 1.5-inch stretch molle, and two stretch pockets. The right interior panel consists of one main back-side panel for notepad storage, one mesh zippered pocket, four 1.5-inch stretch molle, and two stretch pockets. Like all Magpul's DAKA products, the Magpul DAKA Utility Organizer, Large is made from polymer-infused textiles that are RF-welded on every seam for absolute strength. The construction methods and materials used in the DAKA line mean that our storage solutions are at home in a variety of hard-use outdoor applications, yet they're stylish enough to be front and center in your vehicle or office. DAKA Large Utility Organizer Safety Instructions

Introduction

Thank you for choosing the DAKA Large Utility Organizer by Magpul. This product is designed to provide a durable and weatherresistant solution for storing and organizing your everyday gear. To ensure safe use and maximize the lifespan of your organizer, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the organizer is used for its intended purpose only.
- Regularly inspect the organizer for any signs of wear or damage.
- Do not overload the organizer, as this may compromise its structure and functionality.
- Keep the organizer out of reach of children when not in use to prevent accidental injury.
- If the organizer becomes damaged, discontinue use immediately and contact customer support.

Specific Safety Precautions for Use

- Avoid exposing the organizer to extreme temperatures or harsh chemicals that may degrade the material.
- When using the zipper, ensure that no fingers or other body parts are caught in the mechanism to prevent injury.
- Use the carabiner passthrough only for its intended purpose; do not exceed the weight limit specified by the manufacturer.
- Ensure that the organizer is securely closed before transporting it to prevent contents from spilling out.
- Be cautious when placing heavy items in the organizer; distribute weight evenly to maintain balance.

Instructions for Installation and Usage

• Setting Up the Organizer:

1. Open the organizer by unzipping the YKK AquaGuard zipper.
2. Identify the main backside pockets and mesh pockets for your items.
3. Place larger items in the main backside pockets and smaller items in the mesh pockets for better organization.

• Using the Stretch MOLLE and Admin Pockets:

1. Utilize the 1.5inch stretch MOLLE for attaching additional gear or accessories.
2. Store essential items in the admin pockets for quick access.

• Closing the Organizer:

1. Ensure all items are secured inside.
2. Pull the zipper fully around the organizer until it is completely closed.
3. Use the oversized pull tab for easy opening and closing.

• Transporting the Organizer:

1. Use the carabiner to attach the organizer to a backpack or belt loop for handsfree transport.
2. Always check that the carabiner is securely fastened before moving.

Disposal Instructions

- Dispose of the organizer in accordance with local waste disposal regulations.
- If the organizer is damaged beyond repair, consider recycling materials where possible.
- Do not burn the organizer, as it may release harmful substances.
