

# **EXTENDED MAGAZINE BASE PLATE FOR S&W M&P 9 - ED BROWN**

## **EXTENDED MAGAZINE BASE PLATE +2 ROUNDS FOR S&W M&P**

### **BLACK**

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

This extended mag base pads allows for 2 extra 9mm rounds to be loaded into your M&P® magazine, without any other changes. Works great in combination with the Ed Brown Magwell for M&P®, but can also work alone. These base pads add a level of protection to your M&P® magazine, while giving you a better gripping surface for easier manipulations under the stress of competition or self-defense. The profile is just aggressive enough to ease handling, without making it uncomfortable to control. Fully machined from aluminum and anodized for a lifetime of service. NOTE: Some states limit magazine capacity. If you are a resident of one of these states, we are unable to ship a magazine that exceeds the legal limit, or any accessories that would allow you to increase your magazine capacity to exceed the legal limit.

# Extended Magazine Base Plate for S&W M&P Safety Instruction Guide

## Introduction

Thank you for choosing the Extended Magazine Base Plate for your Smith & Wesson M&P 9. This product allows you to add two extra rounds to your magazine, enhancing your firearm's capacity while providing improved grip and handling. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine and extended base plate for signs of wear or damage.
- Do not exceed the magazine capacity limits set by your local laws.

## Specific Safety Precautions for Use

- Use only with Smith & Wesson M&P 9 magazines.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify the base plate or magazine in any way.
- Avoid using the extended base plate in environments where it may be exposed to extreme temperatures or moisture.
- If you experience any malfunctions or issues while using the magazine with the extended base plate, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Remove the Magazine:** Ensure the firearm is unloaded. Remove the magazine from the firearm.
2. **Detach the Original Base Plate:** Using a flathead screwdriver, gently pry off the original base plate from the magazine. Be cautious of the spring and follower inside.
3. **Attach the Extended Base Plate:** Align the extended base plate with the magazine and press it firmly until it clicks into place. Ensure it is securely attached.
4. **Check Functionality:** Load the magazine with 9mm rounds and ensure that it functions correctly.

### Usage

- Load the magazine with the appropriate number of rounds, ensuring not to exceed the legal capacity for your jurisdiction.
- Insert the magazine into the firearm, ensuring it is fully seated.
- Practice handling the firearm with the new base plate to become accustomed to any changes in grip and handling.

## Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- If you no longer need the extended base plate, consider recycling it where possible.
- Do not dispose of the product in regular household waste if it is still functional; consider donating it to a

local shooting sports organization or club.

## **Contact Information for Further Support**

For any questions regarding the safety or usage of the Extended Magazine Base Plate, please refer to the manufacturer's website or contact their customer support team for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Extended Magazine Base Plate for the Smith & Wesson M&P 9. Always prioritize safety and responsible handling when using firearms and their accessories.
