

# DDM4 V7 5.56X45MM NATO SEMI-AUTO RIFLE - DANIEL DEFENSE

## DDM4 V7 5.56X45 NATO 16" BBL (1)32RD MAG FDE

[Home](#)

The Daniel Defense V7 is the first rifle in the DDM4 lineup to feature the M-LOK® attachment technology with the Daniel Defense MFR XS 15.0 rail. Built around a Cold Hammer Forged, 16" barrel, the V7 has a DD improved Flash Suppressor to reduce flash signature. The mid-length gas system provides smooth and reliable cycling under any condition and reduces both perceived recoil and wear on moving parts. A free-floating MFR XS 15.0 handguard offers incredible weight savings as well as superior cooling, ergonomics, and modularity while maintaining the strength and durability expected from Daniel Defense. With the M-LOK attachment points that run along 7 positions and an uninterrupted 1913 Picatinny rail on top, the V7 has plenty of room for the sights, optics, and accessories the user may require. The rifle is finished off with the rugged and comfortable Daniel Defense Buttstock and Pistol grip.

### Attributes

# Safety Instruction Guide for DDM4 V7 5.56X45MM NATO SemiAuto Rifle

## Introduction

Thank you for choosing the Daniel Defense DDM4 V7 5.56X45MM NATO SemiAuto Rifle. This guide provides important safety instructions and guidelines to ensure the safe use of your rifle. Please read this document carefully before handling or using the product.

## General Safety Guidelines

- Always treat the rifle as if it is loaded, even if you believe it to be unloaded.
- Keep the rifle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what is beyond it.
- Store the rifle in a secure location, away from unauthorized users, especially children.
- Use only the recommended ammunition for this rifle (5.56 x 45 NATO).
- Regularly inspect the rifle for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the safety mechanism is engaged when the rifle is not in use.
- Do not modify the rifle in any way that could affect its safety or performance.
- Wear appropriate eye and ear protection when shooting.
- Avoid shooting in wet or windy conditions that could affect your control of the rifle.
- Do not use the rifle while under the influence of drugs or alcohol.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- If you experience a malfunction, follow the manufacturer's instructions for addressing the issue safely.

## Instructions for Installation and Usage

### Installation

1. **Inspect the Rifle:** Before installation, inspect the rifle to ensure that it is clean and free from obstructions.
2. **Attach Accessories:** Use the MLOK attachment points to securely attach any accessories. Ensure they are properly fastened and do not interfere with the operation of the rifle.
3. **Check the Magazine:** Insert the removable magazine into the rifle until it clicks securely into place.

### Usage

1. **Loading the Rifle:**
  - Ensure the rifle is pointed in a safe direction.
  - Load the magazine with the appropriate ammunition (5.56 x 45 NATO).
  - Insert the magazine into the rifle until it clicks into place.
  - Pull the charging handle to chamber a round.
2. **Firing the Rifle:**
  - Ensure that the safety is disengaged.
  - Aim at your target and ensure the area is clear.

- Squeeze the trigger gently to fire.
- After firing, maintain control of the rifle and prepare for followup shots.

### **3. Unloading the Rifle:**

- Point the rifle in a safe direction.
- Engage the safety mechanism.
- Remove the magazine from the rifle.
- Pull the charging handle to eject any chambered round.
- Visually inspect the chamber to ensure it is empty.

## **Disposal Instructions**

- Dispose of the rifle in accordance with local laws and regulations.
- Do not dispose of ammunition in regular waste. Follow local guidelines for hazardous waste disposal.
- If the rifle is damaged beyond repair, consult local authorities for safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of your DDM4 V7 rifle, please consult the manufacturer's customer service or your local firearms expert. Ensure you have the product details handy when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Daniel Defense DDM4 V7 rifle.
