## **JUSTICE II RMR 1X30MM 6 MOA RED DOT REFLEX SIGHT BLACK**

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Optimized for competition versatility, Justice II features a 30mm window and modern body design to complement its universal RMR footprint. Choose between a red or green 6 MOA dot or new multi-reticle variant with four easy-to-switch reticle options. Justice II offers 10 illumination settings for clear visibility in any light condition and utilizes Swampfox Shake 'N Wake auto on/off functionality to conserve battery life for stage readiness. Crafted from 7075-T6 aluminum, the optic body and hood have been enhanced to safeguard the upgraded internals and larger, recessed window. From USPSA to 3-Gun, Justice II is a quick and adaptable optic solution for any competition and platform. # Safety Instruction Guide for JUSTICE II RMR 1X30MM Reflex Sight

## Introduction

Thank you for choosing the JUSTICE II RMR 1X30MM Reflex Sight by Swampfox Optics. This guide provides essential safety information and instructions to ensure the safe and effective use of your reflex sight. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the reflex sight by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** In the event of a product recall, follow the instructions provided for safe return and remedy.
- **Online Shopping Safety:** Purchase only from authorized retailers to ensure compliance with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please consult your local retailer or authorized distributor.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always handle the reflex sight with care to prevent accidental injury. Never look directly into the sight while aiming at a target.
- **Battery Safety:** Use only the specified CR1632 3V battery. Improper battery usage may result in leakage or explosion.
- **Environmental Conditions:** Do not expose the reflex sight to extreme temperatures or humidity beyond the specified limits.
- **Mounting Safety:** Ensure the sight is securely mounted to avoid dislodgement during use.
- **Target Identification:** Always ensure that your target is clearly identified and safe to engage before using the reflex sight.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Select a suitable mounting platform that is compatible with the RMR footprint.
- Align the reflex sight with the mounting platform and secure it using the appropriate screws.
- Check that the sight is firmly attached and does not move when pressure is applied.

### 2. Battery Installation:

- Open the battery compartment located on the side of the reflex sight.
- Insert the CR1632 battery, ensuring the positive (+) side is facing up.
- Close the battery compartment securely.

### 3. Adjusting the Sight:

- Turn on the sight using the digital button and select your desired brightness setting (110).
- Adjust the elevation and windage settings as needed for accurate targeting.

- Confirm that the reticle is correctly aligned with your point of aim.

#### 4. **Usage:**

- Always use the reflex sight in a safe and controlled environment.
- Regularly check the sight for any signs of damage or wear.
- If the sight shows any malfunction, cease use immediately and consult a qualified technician.

## **Disposal Instructions**

- Dispose of the reflex sight and battery in accordance with local regulations.
- Do not dispose of batteries in household waste. Instead, take them to a designated battery recycling facility.
- Ensure that any electronic components are disposed of in compliance with electronic waste regulations.

## **Contact Information for Further Support**

For further support, consult your local retailer or authorized distributor for assistance regarding safety inquiries, product returns, and technical support.

By following these guidelines, you can ensure a safe and effective experience with your JUSTICE II RMR 1X30MM Reflex Sight. Thank you for your attention to safety.
