

# **+3 MAGAZINE EXTENSION FOR SPRINGFIELD® HELLCAT/HELLCAT PRO - TYRANT CNC +3 MAGAZINE EXTENSION FOR SPRINGFIELD HELLCAT GOLD**

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The Tyrant CNC Springfield Hellcat/Pro Magazine Extension is a high-quality upgrade for your Springfield Hellcat or Pro. This extension increases the capacity of your magazine by adding an extra 3 rounds of 9mm, allowing you to carry more ammunition and spend less time reloading. Made from durable 7000 series aluminum, CNC machined for precision and finished with a bead blast and hardcoat anodized finish, this extension is built to last and withstand the rigors of everyday use. By utilizing the existing OEM spring that came with your firearm, this extension ensures that it will function seamlessly with your Hellcat or Hellcat Pro, providing a reliable and consistent performance. This eliminates the need for any additional adjustments or modifications to your firearm, making the installation process quick and easy. How does it install? It utilizes the innovative Tyrant CNC NoBak springer plunger technology which makes installation and uninstallation easy, while keeping the magazine extension securely in place, even when dropped, thrown or subjected to heavy use. It does not require any special tools or modifications to your firearm. The sleek design of the extension blends seamlessly with the look of your Springfield Hellcat or Pro, making it the perfect addition to your collection.

Upgrade your Springfield Hellcat or Pro with the Tyrant CNC Springfield Hellcat/Pro Magazine Extension and enjoy the added convenience and firepower with the added security of the NoBak technology. Why use it? The Tyrant CNC Springfield Hellcat/Pro Magazine Extension is an excellent upgrade for those looking to increase the firepower of their Springfield Hellcat or Hellcat Pro. With the ability to add an extra 3 rounds to your magazine, this extension allows you to carry more ammunition and spend less time reloading. This can be particularly useful in competitive shooting, hunting, or self-defense situations where every round counts. Who is this for? For anyone who wants to increase the firepower of their Springfield Hellcat or Hellcat Pro. This product is particularly useful for competitive shooters, hunters, and anyone who wants to have the added advantage of carrying more ammunition and spend less time reloading, whether it's in a competition, hunting, or self-defense situations. The extension is also easy to install and does not require any special tools or modifications to your firearm, making it an attractive option for anyone who wants to upgrade their Springfield Hellcat or Hellcat Pro without any hassle. # Consumer Safety Instruction Guide for Tyrant CNC +3 Magazine Extension for Springfield Hellcat/Hellcat Pro

## Introduction

Thank you for choosing the Tyrant CNC +3 Magazine Extension for your Springfield Hellcat or Hellcat Pro. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Always ensure the magazine extension is compatible with your specific model of Springfield Hellcat or Hellcat Pro to avoid any safety risks.
- **Enhanced Recalls:** Stay informed about product recalls. Regularly check the EU Safety Gate platform for any updates regarding this product.
- **Online Shopping:** Ensure that you purchase this product from authorized retailers that comply with EU safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that it is used only by individuals who are knowledgeable about firearm safety.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer or authorized distributor in your region.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on any unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Verify that the magazine extension is suitable for your Springfield Hellcat or Hellcat Pro. It does not fit 10round magazines.
- **Installation:** Follow the installation instructions carefully to avoid any malfunction. Improper installation can lead to safety hazards.
- **Handling:** Always treat your firearm with respect. Ensure it is unloaded when installing or handling the magazine extension.
- **Usage:** Use the magazine extension only as intended. Avoid using it with ammunition types other than 9mm.
- **Inspection:** Regularly inspect the magazine extension for wear and tear. Replace it if any damage is observed.
- **Storage:** Store your firearm and the magazine extension in a secure place, away from unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded before starting the installation.
- Gather necessary tools if needed, although special tools are not typically required.

### 2. Installation Steps:

- Remove the existing magazine from your firearm.
- Use the Tyrant CNC NoBak springer plunger technology to install the magazine extension.
- Align the extension with the magazine and press down until it clicks into place.
- Ensure the magazine extension is securely attached by gently pulling on it.

### **3. Usage:**

- Load the magazine extension with up to 3 additional rounds of 9mm ammunition.
- Insert the magazine into your firearm and ensure it locks into place.
- Test the functionality by cycling through rounds to ensure smooth operation.

### **4. Uninstallation:**

- To remove the magazine extension, simply reverse the installation process.
- Press the plunger to release the extension and gently pull it away from the magazine.

## **Disposal Instructions**

- Dispose of the magazine extension in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tyrant CNC +3 Magazine Extension, please refer to the manufacturer or authorized distributor in your region. Always ensure you are following the latest safety guidelines and regulations.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Tyrant CNC +3 Magazine Extension for Springfield Hellcat and Hellcat Pro. Thank you for prioritizing safety.
