

AR-15/M16 5.56 ENHANCED BOLT COMPLETION GROUP - J P ENTERPRISES AR15 223 BOLT COMPLETION GROUP

[Rifle Parts](#) > [Bolt Parts](#) > [Bolts](#)

Complete bolt assembly is precision machined from an ultra-strong steel alloy to last up to 10 times longer than a standard carbon steel bolt, minimizing the risk of bolt failure during a critical engagement. SAE 9310 steel has a tough, ductile inner core highly resistant to stress fracturing, with a hard outer surface that resists galling and wear, to ensure a service life of up to 60,000 rounds. This is the same steel used in the transmission gears of Formula 1 race cars, so it's ideal for high-impact, high-heat applications like sustained full-auto fire. Meticulously machined radii on all 90-degree corners on the locking lugs help distribute impact force evenly and further reduce risk of premature wear and cracking. Fully supported extractor face and precise extractor engagement further ensure smooth, reliable cycling. Bolts are available individually, or in a completion group, which includes the bolt, firing pin, cam pin and firing pin retaining pin. Available caliber 223.

Attributes

- Name: [J P ENTERPRISES AR15 223 BOLT COMPLETION GROUP](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000163
- Mfr. No.: JPBC-EB223
- Cartridge: 223 Remington, 5.56 mm NATO, 300 AAC Blackout
- Finish: Black DLC
- Weapon type: AR-15
- Delivery weight: 0.069kg
- Shipping height: 19mm
- Shipping width: 102mm
- Shipping length: 127mm
- UPC: 812872020747

Safety Instruction Guide for AR15/M16 5.56 Enhanced Bolt Completion Group

Introduction

Thank you for choosing the AR15/M16 5.56 Enhanced Bolt Completion Group by J P Enterprises. This product is designed for high performance and durability. To ensure your safety and the safe operation of this product, please read this guide carefully and follow all instructions.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are familiar with local laws and regulations regarding firearm usage and modifications.
- Store your bolt completion group and all firearm components securely and out of reach of children.
- Regularly inspect your bolt completion group for wear or damage before use.
- Use only compatible ammunition as specified by the manufacturer.
- Follow all manufacturer guidelines for installation and usage.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction and injury.
- Using incompatible ammunition can cause catastrophic failure.
- Failing to maintain the bolt completion group can result in decreased performance and safety risks.

- **Instructions to Avoid Hazards:**

- Ensure that all components are installed correctly and securely.
- Do not attempt to modify or alter the bolt completion group in any way.
- Always wear appropriate safety gear, including eye and ear protection, when operating your firearm.
- Keep your finger off the trigger until ready to fire.

- **Audience Specific Warnings:**

- This product is intended for use by individuals over the age of 18 who are knowledgeable about firearms.
- Keep this product away from children and unauthorized users.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your firearm is unloaded and the chamber is clear.
2. Remove the existing bolt assembly from your firearm.
3. Carefully install the AR15/M16 5.56 Enhanced Bolt Completion Group, ensuring that all components are aligned correctly.
4. Secure the assembly according to the manufacturer's instructions.
5. Perform a function check to ensure proper operation.

- **Usage:**

- Load only compatible ammunition (223 Remington, 5.56 mm NATO, or 300 AAC Blackout).
- When ready to fire, ensure you are in a safe environment and follow all firearm safety protocols.
- Regularly clean and maintain your bolt completion group to ensure optimal performance.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the AR15/M16 5.56 Enhanced Bolt Completion Group, please refer to the manufacturer's website or customer service resources.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your AR15/M16 5.56 Enhanced Bolt Completion Group. Always prioritize safety and responsible firearm usage.
