Safety Instruction Guide for AR15/M16 9MM Bolt Carrier Group

Introduction

Thank you for choosing the AR15/M16 9MM Bolt Carrier Group by J P Enterprises. This product is designed for use in Colt 9mm style AR15 and M16 rifles. To ensure safe and effective operation, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only in firearms that are compatible with the AR15/M16 9MM Bolt Carrier Group.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Store the product and any associated firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the bolt carrier group for signs of wear or damage before use.
- If you notice any irregularities, do not use the product and contact a qualified gunsmith for evaluation.

Specific Safety Precautions for Use

- **Compatibility Check:** Confirm that your rifle is designed to accept Glock magazines and is compatible with the 9mm bolt assembly.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunctions.
- **Ammunition:** Use only approved 9mm ammunition that is suitable for your firearm to prevent dangerous malfunctions.
- **Environment:** Use the product in a safe environment, free from distractions and hazards.
- **Children and Vulnerable Groups:** Keep this product away from children and individuals who are inexperienced with firearms.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you are in a safe environment.
- Make sure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing bolt carrier group from the rifle.
- Insert the JP 9mm Bolt Assembly into the upper receiver, ensuring it is properly aligned.
- Secure the assembly according to the manufacturer's specifications.
- Doublecheck that all components are correctly installed and functioning.

3. Usage:

- Load the firearm with compatible 9mm ammunition.
- Always perform a function check before firing to ensure the bolt carrier group operates smoothly.
- Follow all firearm safety rules while operating the firearm.

4. PostUse Care:

- After use, clean and inspect the bolt carrier group as per the manufacturer's recommendations.
- Store the product in a secure and dry location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consult with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the AR15/M16 9MM Bolt Carrier Group, please refer to the appropriate contact channels provided by the manufacturer.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe operation and longevity of your AR15/M16 9MM Bolt Carrier Group. Always stay informed about safety updates and product recalls through the EU's Safety Gate platform. Thank you for your attention to these important safety measures.
