

1911 XACT FIT BARREL - KART PRECISION BARREL 5" BARREL, .40 S&W FITS C/P

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Achieve A Match Quality Barrel Installation Using Only Hand Tools

Install a precision quality barrel using just four small hand tools. The only fitting required is to adjust lockup with the two raised pads located on either side of the rear locking groove, cut the barrel hood to correct length and fit the bushing to the slide. A national match bushing is pre-fit to the barrel; has oversize O.D. for precise fitting to slide. Bottom lugs are fully finished and the correct length link installed to save hours of work.

Attributes

Consumer Safety Instruction Guide for 1911 XACT FIT BARREL KART PRECISION BARREL 5" BARREL, .40 S&W FITS C/P

Introduction

Thank you for choosing the 1911 XACT FIT BARREL KART PRECISION BARREL. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new barrel. We prioritize your safety and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate protective gear when handling firearms and related components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearms and their components.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to firearm malfunction or injury.
- **Avoiding Hazards:**
 - Only use this barrel with compatible firearms as specified.
 - Ensure the firearm is unloaded before installation.
 - Do not attempt to modify the barrel beyond the specified fitting instructions.
 - Seek professional assistance if you are unsure about the installation process.
- **Age Specific Warnings:** This product is intended for use by adults only. Ensure minors do not have access to the product.

Instructions for Installation and Usage

1. Tools Required:

- Four small hand tools (specific tools not detailed).

2. Installation Steps:

- **Step 1:** Ensure the firearm is unloaded and safe.
- **Step 2:** Adjust lockup using the two raised pads located on either side of the rear locking groove.
- **Step 3:** Cut the barrel hood to the correct length as specified in the instructions.
- **Step 4:** Fit the bushing to the slide. A national match bushing is prefitted to the barrel.
- **Step 5:** Ensure the bushing has an oversize O.D. for precise fitting to the slide.
- **Step 6:** Check that the bottom lugs are fully finished and that the correct length link is installed.
- **Step 7:** After installation, conduct a thorough inspection of the firearm to ensure proper fitting and operation.

3. Usage Instructions:

- After installation, test the firearm in a controlled environment to ensure proper functionality.
- Always follow safe handling practices when using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms components.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support, please consult your local firearms expert or authorized dealer.

By following these guidelines and instructions, you can ensure the safe and effective use of your 1911 XACT FIT BARREL KART PRECISION BARREL. Thank you for your attention to safety.
