

BORE STIX - BORE TECH .22 CAL. 36"

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Fully Coated Rod Cleans Without Scratching

Cushioned handle has 22 ball bearings inside for effortless rotation so the patch always follows the rifling. Full-length epoxy coating on spring steel rod is impervious to solvents. Index dots on the handle let you check twist rates. 6mm BR rod gives an exact fit to 6mm benchrest, varmint, and hunting rifles.

Safety Instruction Guide for BORE STIX BORE TECH .22 CAL. 36"

Introduction

Thank you for choosing the BORE STIX BORE TECH .22 CAL. 36". This cleaning rod is designed for efficient and safe cleaning of your firearms. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the cleaning rod.
- Use the cleaning rod only for its intended purpose – cleaning .22 caliber firearms.
- Keep the cleaning rod out of reach of children and pets.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Store the cleaning rod in a safe and dry place when not in use.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.

Specific Safety Precautions for Use

- Ensure that the cushioned handle is securely attached before use.
- Do not apply excessive force when using the cleaning rod to avoid damaging the firearm or the rod.
- Be cautious of the ball bearings in the handle; avoid disassembling the handle.
- Use only compatible cleaning patches with the cleaning rod to prevent obstruction.
- Avoid using the cleaning rod near open flames or in wet conditions.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe position.
- Gather necessary cleaning supplies, including cleaning patches and solvent.

2. Using the Cleaning Rod:

- Attach the appropriate cleaning patch to the end of the cleaning rod.
- Insert the cleaning rod into the firearm's barrel from the chamber end, ensuring it follows the rifling.
- Rotate the cleaning rod gently to allow the patch to clean the interior of the barrel.
- Withdraw the cleaning rod carefully after use, avoiding any sudden movements.

3. Post Use:

- Clean the rod after each use to remove any debris or solvent.
- Store the cleaning rod in a safe location, away from children.

Disposal Instructions

- Dispose of any cleaning patches and solvents according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in accordance with local waste disposal guidelines.
- Do not dispose of the cleaning rod in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the BORE STIX BORE TECH .22 CAL. 36", please refer to the manufacturer's official website or authorized dealers for support and guidance.

Thank you for your attention to these safety guidelines. Your safety and the safe use of your firearm are our top priorities.
