# Safety Instruction Guide for ACCESSORY BASKET L&R MFG

## Introduction

Thank you for choosing the ACCESSORY BASKET by L&R MFG. This product is designed to enhance your ultrasonic cleaning experience. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, installation, and disposal of the accessory basket.

## General Safety Guidelines

- Always use the accessory basket as intended, following the manufacturer's instructions.
- Inspect the accessory basket for any signs of damage before each use. Do not use if damaged.
- Keep the accessory basket out of reach of children and vulnerable individuals.
- Ensure that the ultrasonic cleaner is suitable for use with stainless steel accessories.
- Do not exceed the maximum load capacity specified by the ultrasonic cleaner manufacturer.
- Avoid placing the accessory basket in environments with extreme temperatures or humidity.

## Specific Safety Precautions for Use

- Handle the accessory basket with care to avoid cuts or injuries from sharp edges.
- Always wear appropriate personal protective equipment, such as gloves and goggles, when using the ultrasonic cleaner.
- Do not use the accessory basket for food items or in any food preparation applications.
- Ensure that the ultrasonic cleaner is unplugged before placing or removing the accessory basket.
- Do not immerse the accessory basket in any cleaning solution that is not compatible with stainless steel.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the ultrasonic cleaner is placed on a stable, flat surface.
- Check that the ultrasonic cleaner is properly connected to a power source and that all safety features are functional.
- Place the accessory basket inside the ultrasonic cleaner, ensuring it fits securely without obstruction.

### 2. Usage:

- Fill the ultrasonic cleaner tank with the appropriate cleaning solution, adhering to the manufacturer's recommendations.
- Place items to be cleaned inside the accessory basket, ensuring they do not exceed the maximum load limit.
- Close the lid of the ultrasonic cleaner securely before operation.
- Set the desired cleaning time and temperature according to the manufacturer's instructions for both the cleaner and the items being cleaned.
- Once the cleaning cycle is complete, carefully remove the accessory basket from the ultrasonic cleaner using heatresistant gloves.
- Allow the items to cool before handling and ensure they are thoroughly dried before use.

## **Disposal Instructions**

- Dispose of the accessory basket in accordance with local regulations for stainless steel recycling.
- Do not dispose of the accessory basket in general waste.
- If the accessory basket is damaged beyond repair, ensure it is recycled properly to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the ACCESSORY BASKET, please refer to the manufacturer's contact information, which can be found on the product packaging or the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the ACCESSORY BASKET by L&R MFG. Always prioritize safety and compliance with local regulations when using and disposing of this product. Thank you for your attention to these important guidelines.
