

# LEWIS LEAD REMOVER - BROWNELLS LEWIS LEAD REMOVER HANDGUN KIT, 9MM/38/357 CALIBER

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Lead Remover](#)

## Traditional - And Still The Best Mechanical Deleader

Lead fouling can build up in the forcing cone, barrel, and chamber of a pistol, ruining accuracy completely. The Lewis Lead Remover is the single best way to remove all leading easily, plus will not damage the gun in any way. Used and endorsed by the nation's top shooters. Use with J-B Bore Cleaner for the cleanest, lead-free barrel ever!

# Safety Instruction Guide for LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER KIT FOR 9MM 38/357 CALIBER

## Introduction

Thank you for choosing the Lewis Lead Remover Kit. This product is designed to effectively remove lead fouling from your firearm without causing damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only as directed.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety goggles when using the product.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and cleaning products.

## Specific Safety Precautions for Use

- **Handling Lead:** Lead is a toxic substance. Avoid direct contact with lead materials. Wash hands thoroughly after use.
- **Ventilation:** Use the product in a wellventilated area to avoid inhalation of any lead particles or cleaning agents.
- **Avoid Ingestion:** Do not eat or drink while using the product to prevent accidental ingestion of lead or cleaning materials.
- **Storage:** Store the product in a cool, dry place, away from direct sunlight and moisture.
- **Disposal:** Dispose of lead waste and used cleaning materials in accordance with local hazardous waste disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather all necessary tools and materials, including the Lewis Lead Remover Kit and JB Bore Cleaner.

### 2. Using the Lead Remover:

- Attach the appropriate tip (cone or rubber) to the handle.
- Insert the lead remover into the barrel of the firearm.
- Apply a small amount of JB Bore Cleaner to the brass patch.
- Insert the patch into the barrel and pull it through using the handle, ensuring even pressure.
- Repeat as necessary until the barrel is free of lead fouling.

### 3. Cleaning Up:

- After use, clean the lead remover components with a suitable cleaning solvent.
- Store the kit in its original packaging to protect it from damage.

## **Disposal Instructions**

- Dispose of lead waste and used cleaning materials according to local regulations.
- Do not dispose of lead in regular household waste.
- Check with local authorities for proper hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please contact the designated EUbased customer service representative provided with your product packaging.

By following these guidelines, you can ensure that you use the Lewis Lead Remover Kit safely and effectively. Always prioritize safety to protect yourself and others while maintaining your firearm. Thank you for your attention to these important safety instructions.
