# LEWIS LEAD REMOVER KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Lewis Lead Remover Kit for 10mm, 40/41 caliber. This product is designed to effectively remove lead fouling from your firearm, enhancing accuracy and performance. Please read these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms safely and responsibly.
- Keep the lead remover kit out of reach of children and vulnerable individuals.
- Regularly check for product recalls and safety updates.
- Report any unsafe products or incidents to the relevant authorities.
- Use the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always wear safety goggles and gloves when using the lead remover kit to protect your eyes and skin from lead exposure.
- Ensure that the firearm is unloaded and in a safe condition before using the lead remover.
- Do not use the lead remover kit if it shows signs of damage or wear.
- Avoid using the lead remover kit in poorly ventilated areas to minimize inhalation of any lead dust.
- Follow the manufacturer's instructions carefully to avoid any misuse of the product.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all components of the lead remover kit: handle, cone tip, rubber tip, brass patches, and instructions.

### 2. Using the Lead Remover:

- Attach the desired tip (cone or rubber) to the handle.
- Insert the tip into the barrel of the firearm.
- Gently pull the lead remover back and forth to remove lead fouling. Do not apply excessive force.
- Use the specially woven brass patches as needed for optimal cleaning results.
- For best results, follow up with JB Bore Cleaner to ensure a leadfree barrel.

### 3. PostUse:

- After cleaning, remove the lead remover from the firearm.
- Clean the components of the lead remover kit according to the instructions provided.
- Store the lead remover kit in a safe, dry place out of reach of children.

## Disposal Instructions

- Dispose of any lead fouling and cleaning materials in accordance with local regulations regarding hazardous waste.
- Do not throw away lead materials in regular trash; consult local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Lewis Lead Remover Kit, please refer to the contact information provided on the product packaging or visit the manufacturer's website for more resources.

Thank you for your attention to these safety instructions. Your safety and the effective use of the Lewis Lead Remover Kit are our top priorities.
