# Safety Instruction Guide for LEWIS LEAD REMOVER FOR RIFLES & SHOTGUNS

## Introduction

Thank you for choosing the LEWIS LEAD REMOVER FOR RIFLES & SHOTGUNS by BROWNELLS. This product is designed to effectively remove lead and wad fouling from your firearms while ensuring safety and maintaining the integrity of the bore and rifling. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the firearm is unloaded before using the lead remover.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety updates related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from potential debris.
- Use gloves to avoid skin contact with lead and cleaning agents.
- Ensure adequate ventilation when using the lead remover to avoid inhalation of fumes.
- Do not use the product on firearms that are not compatible with the specified caliber.
- Avoid using excessive force when attaching or detaching the tips to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary tools, including a cleaning rod compatible with the 832 threads.

### 2. Attaching the Tip:

- Select the appropriate tip for your firearm.
- Attach the rubber tip with 832 threads to the cleaning rod securely.

### 3. Using the Lead Remover:

- Insert the attached tip into the bore of the rifle or shotgun.
- Gently push the tip through the bore, allowing the specially woven brass patches to remove lead and plastic deposits.
- Repeat the process as necessary until the bore is clean.

### 4. PostCleaning:

- After using the lead remover, follow up with JB Bore Cleaner for optimal results.
- Clean and store the lead remover kit properly after use.

## **Disposal Instructions**

- Dispose of used brass patches and any lead residue in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local hazardous waste disposal options.
- Ensure that all components are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For further support, please consult your local retailer or the manufacturer's website for assistance and additional resources. Always ensure that you are using the product in compliance with local laws and regulations.

By following these guidelines, you can ensure the safe and effective use of the LEWIS LEAD REMOVER FOR RIFLES & SHOTGUNS. Thank you for your attention to safety.
