

LEWIS LEAD REMOVER - BROWNELLS LEWIS LEAD REMOVER ADAPTER KIT, 44 CALIBER

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Lead Remover](#)

Traditional - And Still The Best Mechanical Deleader

Lead fouling can build up in the forcing cone, barrel, and chamber of a pistol, ruining accuracy completely. The Lewis Lead Remover is the single best way to remove all leading easily, plus will not damage the gun in any way. Used and endorsed by the nation's top shooters. Use with J-B Bore Cleaner for the cleanest, lead-free barrel ever!

Safety Instructions for the LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 44 CALIBER ADAPTER KIT

Introduction

Thank you for choosing the LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 44 CALIBER ADAPTER KIT. This product is designed to help you effectively remove lead fouling from your firearm, ensuring optimal performance and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the lead remover kit for any purpose other than its intended use.
- Regularly inspect the product for wear or damage before each use.
- If you notice any damage or malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the lead remover kit.
- Ensure that the firearm is unloaded and pointed in a safe direction before starting the cleaning process.
- Avoid using excessive force when operating the lead remover to prevent damage to your firearm.
- Do not use the lead remover kit in a confined space without proper ventilation.
- Keep the work area clean and free of clutter to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather all necessary components from the Lead Remover Kit: Handle, cone tip, rubber tip, brass patches, and cleaning solution.

2. Assembly

- Attach the cone tip to the handle securely.
- If using the rubber tip, ensure it is fitted properly to the handle.

3. Application

- Insert the cone tip into the forcing cone, barrel, or chamber of the firearm.
- Gently twist and pull the handle to remove lead fouling. Do not apply excessive pressure.
- Use JB Bore Cleaner in conjunction with the lead remover for optimal results.

4. Cleaning

- After use, clean the components of the lead remover kit with warm water and mild soap.
- Ensure all parts are dry before storing them in a safe place.

5. **Storage**

- Store the lead remover kit in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any used brass patches and cleaning materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check local regulations for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of this product, please refer to the relevant EUbased contact point. Always check for updates on product safety and recalls through the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with the LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 44 CALIBER ADAPTER KIT. Thank you for prioritizing safety and performance.
