

LEWIS LEAD REMOVER - BROWNELLS LEWIS LEAD REMOVER ADAPTER KIT, 45 CALIBER

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Lead Remover](#)

Traditional - And Still The Best Mechanical Deleader

Lead fouling can build up in the forcing cone, barrel, and chamber of a pistol, ruining accuracy completely. The Lewis Lead Remover is the single best way to remove all leading easily, plus will not damage the gun in any way. Used and endorsed by the nation's top shooters. Use with J-B Bore Cleaner for the cleanest, lead-free barrel ever!

Safety Instruction Guide for LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 45 CALIBER ADAPTER KIT

Introduction

Thank you for choosing the Lewis Lead Remover Brownells Lewis Lead Remover 45 Caliber Adapter Kit. This product is designed to effectively remove lead fouling from your firearm while ensuring safety and ease of use. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the firearm is unloaded before using the lead remover.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only as intended: The Lewis Lead Remover is designed specifically for the removal of lead fouling in firearms.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves to protect against lead exposure.
- Ensure proper ventilation in the area where the product is used to minimize inhalation of lead particles.
- Do not use the product on firearms that are not compatible with the 45 caliber adapter kit.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Store the product in a cool, dry place away from direct sunlight.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded and safe to handle.
- Gather all necessary components: Handle, cone tip, rubber tip, brass patches, and JB Bore Cleaner.

2. Installation:

- Attach the cone tip to the handle securely.
- If using the rubber tip, ensure it is firmly attached as well.

3. Usage:

- Apply JB Bore Cleaner to the brass patch.
- Insert the cone tip into the barrel and gently twist while pulling it through the barrel to remove lead fouling.
- Repeat the process as necessary until the barrel is clean.
- Dispose of used brass patches according to local regulations.

4. PostUsage:

- Clean the components of the Lewis Lead Remover after use to maintain their effectiveness.
- Store the product in its original packaging or a secure location to prevent damage.

Disposal Instructions

- Dispose of all used materials, including brass patches and any contaminated PPE, according to local regulations regarding hazardous waste.
- Do not dispose of leadcontaining materials in regular trash. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safe use of the Lewis Lead Remover Brownells Lewis Lead Remover 45 Caliber Adapter Kit, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using this product. Your adherence to these guidelines helps ensure a safe and effective experience.
