# **Safety Instruction Guide for LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 9MM, 38/357 CALIBER RUBBER TIP**

## **Introduction**

Thank you for choosing the Lewis Lead Remover by Brownells. This product is designed to effectively remove lead fouling from your pistol, ensuring optimal accuracy and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Always ensure that the firearm is unloaded before using the Lewis Lead Remover.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose as described in this guide.
- If you experience any adverse effects while using the product, discontinue use immediately and seek medical attention if necessary.

## **Specific Safety Precautions for Use**

- Wear safety goggles to protect your eyes from any debris that may be dislodged during cleaning.
- Use gloves to protect your hands from lead exposure and cleaning chemicals.
- Ensure proper ventilation in your cleaning area to avoid inhalation of lead particles or chemical fumes.
- Do not use the product on firearms that are not specified for use with the Lewis Lead Remover.
- Follow all local regulations regarding the disposal of lead and cleaning materials.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary materials: Lewis Lead Remover, JB Bore Cleaner, cleaning patches, and safety equipment.

### **2. Assembly:**

- Attach the cone tip or rubber tip to the handle of the Lewis Lead Remover as needed for your specific application.

### **3. Cleaning Procedure:**

- Insert the Lewis Lead Remover into the barrel of the firearm.
- Gently twist and pull the remover back and forth to dislodge lead fouling.
- For optimal results, use with JB Bore Cleaner to achieve a leadfree barrel.
- After cleaning, remove the lead remover and inspect the barrel for cleanliness.

### **4. PostCleaning:**

- Dispose of any lead and cleaning materials in accordance with local regulations.
- Clean the Lewis Lead Remover components with a damp cloth and store in a safe place.

## **Disposal Instructions**

- Dispose of lead and cleaning materials in accordance with local regulations to prevent environmental contamination.
- Do not dispose of any product components in household waste. Follow local disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Lewis Lead Remover, please refer to the contact information provided by your retailer or manufacturer. Ensure to keep this guide for future reference.

By following these safety instructions, you can ensure a safe and effective experience when using the Lewis Lead Remover. Thank you for your attention to safety and for choosing our product.
