# Safety Instruction Guide for LEWIS LEAD REMOVER

## Introduction

Thank you for choosing the Lewis Lead Remover. This product is designed to effectively remove lead fouling from your firearm, ensuring optimal performance and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the Lewis Lead Remover is used only for its intended purpose: removing lead fouling from firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhalation of any particles.
- If you experience any adverse reactions while using this product, discontinue use immediately and seek medical attention.
- Follow all applicable local laws and regulations regarding the use and disposal of firearm cleaning products.

## Specific Safety Precautions for Use

- Always wear protective eyewear when using the Lewis Lead Remover to protect your eyes from potential splashes or debris.
- Use gloves to protect your hands from lead exposure and any chemicals present in the cleaning materials.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the lead remover.
- Do not use the lead remover on firearms that are not specifically designed for cleaning with this product.
- Be cautious of sharp edges on the cleaning tools included in the kit.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary components from the Lead Remover Kit: handle, cone tip, rubber tip, brass patches, and cleaning solution.

### 2. Installation:

- Attach the cone tip or rubber tip to the handle securely.
- Ensure that the tip is fitted properly to avoid any accidents during use.

### 3. Usage:

- Insert the tip into the barrel of the firearm.
- Gently pull the lead remover through the barrel, applying even pressure.
- Use the specially woven brass patches with the cleaning solution to wipe down the barrel and remove any remaining lead.
- Repeat the process as necessary until the barrel is clean.

### 4. PostUse:

- Clean the components of the lead remover after use to maintain their effectiveness.
- Store the Lead Remover Kit in a cool, dry place, out of reach of children.

## **Disposal Instructions**

- Dispose of any used patches, gloves, or other materials in accordance with local regulations regarding hazardous waste.
- Do not dispose of cleaning solutions or chemicals down the drain unless specified by the manufacturer.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lewis Lead Remover, please consult the product packaging or visit the manufacturer's website for customer support resources.

By following these safety guidelines and instructions, you can ensure the effective and safe use of the Lewis Lead Remover. Thank you for your attention to these important safety measures.
