Safety Instruction Guide for LEWIS LEAD REMOVER BROWNELLS LEWIS LEAD REMOVER 10MM, 40/41 CALIBER CONE TIP

Introduction

Thank you for choosing the Lewis Lead Remover by Brownells. This product is designed to effectively remove lead fouling from the forcing cone, barrel, and chamber of your pistol, ensuring optimal accuracy without damaging the firearm. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure that the Lewis Lead Remover is used only for its intended purpose. Follow all instructions provided to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any product recalls. Regularly check the EU's Safety Gate platform for updates on safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements. Verify the authenticity of the product before use.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to the product packaging or the manufacturer's website for contact details.
- **Rapid Alerts:** Be aware of any alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety goggles and gloves when using the Lewis Lead Remover to protect against lead exposure.
- **Ventilation:** Use the product in a wellventilated area to avoid inhaling any lead dust or fumes.
- **Inspect the Product:** Before use, inspect the Lewis Lead Remover for any signs of damage. Do not use if the product is damaged.
- **Follow Instructions:** Always adhere to the instructions provided with the product to ensure safe and effective usage.
- **Avoid Contact with Skin:** Do not allow the lead remover to come into direct contact with skin. Wash hands thoroughly after use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary components from the Lead Remover Kit: handle, cone tip, rubber tip, brass patches, and instructions.

2. Assembly:

- Attach the cone tip securely to the handle.
- Ensure that the connection is tight to prevent any disassembly during use.

3. Using the Lead Remover:

- Insert the cone tip into the barrel of the firearm.
- Rotate the handle gently while applying slight pressure to remove lead fouling.
- Use the rubber tip for delicate areas to prevent damage.
- For best results, combine with JB Bore Cleaner as instructed.

4. PostUsage Care:

- After cleaning, remove all components and clean them with a suitable solvent.
- Store the Lead Remover Kit in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any lead waste and cleaning materials in accordance with local regulations regarding hazardous waste.
- Do not dispose of lead or leadcontaminated materials in general waste. Consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Lewis Lead Remover, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the Lewis Lead Remover. Thank you for your attention to safety and for choosing our product.
