LACQUER STIK COLOR FILL IN PAINT STICK The LACQUER STIK Color Fill in Paint Stick is a specialized compound designed to enhance the visibility of stamped or engraved impressions on smooth surfaces, making it ideal for firearms, parts, and accessories. This semi-solid stick applies easily and hardens to a permanent finish, providing a durable and aesthetically pleasing color fill. Description and Features: Measuring 4-5/8 inches (11.7 cm) in length, the Lacquer Stick is available in four distinct colors: White, Gold, and Black. Its semi-solid form allows for straightforward application into engraved or stamped areas, and it quickly hardens to create a long-lasting, permanent highlight. This makes it particularly useful for gunsmiths and firearm enthusiasts aiming to accentuate markings for both functional clarity and enhanced appearance. Specifications: Length: 4-5/8 inches (11.7 cm) Available Colors: White, Gold, Black Customer Insights: Customers of the LACQUER STIK Color Fill in Paint Stick appreciate its ease of use and the durable finish it provides. One customer noted that the stick is "highly recommended for highlighting engravings on firearms and other metal surfaces," emphasizing its effectiveness in enhancing the visibility of markings. Incorporating the LACQUER STIK Color Fill in Paint Stick into your gunsmithing toolkit allows for easy and effective enhancement of engraved or stamped markings, improving both the functionality and aesthetics of your firearms and accessories.

# COLOR FILL LACQUER STICK® LACQUERSTIK RED LACQUER STIK® Safety Instruction Guide

## Introduction

Welcome to the safety instruction guide for the COLOR FILL LACQUER STICK® LACQUERSTIK RED LACQUER STIK®. This product is designed for enhancing stamped or engraved impressions on smooth surfaces, ideal for use on guns, parts, and accessories. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always work in a wellventilated area to avoid inhaling fumes.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- If ingested, seek medical attention immediately.
- Regularly check for recalls or safety alerts related to the product.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Wear gloves to prevent skin contact.
  - Use safety goggles to protect your eyes.
- **Ventilation:**
  - Use the product in a wellventilated space to minimize inhalation risks.
- **Storage:**
  - Store the Lacquer Stick in a cool, dry place away from direct sunlight.
  - Ensure the cap is tightly closed when not in use to prevent drying out.
- **Application:**
  - Test on a small, inconspicuous area before applying to the main surface.
  - Avoid excessive pressure while applying to prevent uneven application.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface is clean, dry, and free of dust or grease.
- Shake the Lacquer Stick gently before use.

### 2. Application:

- Hold the Lacquer Stick upright and press gently to release the compound.
- Apply the compound directly onto the stamped or engraved areas, filling them completely.
- Use a clean cloth to remove any excess compound from the surrounding areas.

### 3. Curing:

- Allow the applied lacquer to harden completely. This process can take a few minutes.
- Do not touch or disturb the lacquer until it has fully cured to ensure a permanent bond.

### 4. Cleaning:

- Clean any tools or surfaces used during application with a suitable solvent before the lacquer dries.

## **Disposal Instructions**

- Dispose of any unused or expired product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated hazardous waste disposal facility.
- Ensure that the product is sealed properly before disposal to prevent leakage.

## **Contact Information for Further Support**

For further support or inquiries regarding safety, please refer to the contact information provided on the product packaging or the manufacturer's website. It is important to have access to assistance for any safetyrelated questions or concerns.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the COLOR FILL LACQUER STICK® LACQUERSTIK RED LACQUER STIK®. Always prioritize safety and stay informed about product recalls and safety updates. Thank you for choosing our product!
