LACQUER STIK COLOR FILL IN PAINT STICK The LACQUER STIK Color Fill in Paint Stick is a specialized compound designed to enhance the visibility of stamped or engraved impressions on smooth surfaces, making it ideal for firearms, parts, and accessories. This semi-solid stick applies easily and hardens to a permanent finish, providing a durable and aesthetically pleasing color fill. Description and Features: Measuring 4-5/8 inches (11.7 cm) in length, the Lacquer Stick is available in four distinct colors: White, Gold, and Black. Its semi-solid form allows for straightforward application into engraved or stamped areas, and it quickly hardens to create a long-lasting, permanent highlight. This makes it particularly useful for gunsmiths and firearm enthusiasts aiming to accentuate markings for both functional clarity and enhanced appearance. Specifications: Length: 4-5/8 inches (11.7 cm) Available Colors: White, Gold, Black Customer Insights: Customers of the LACQUER STIK Color Fill in Paint Stick appreciate its ease of use and the durable finish it provides. One customer noted that the stick is "highly recommended for highlighting engravings on firearms and other metal surfaces," emphasizing its effectiveness in enhancing the visibility of markings. Incorporating the LACQUER STIK Color Fill in Paint Stick into your gunsmithing toolkit allows for easy and effective enhancement of engraved or stamped markings, improving both the functionality and aesthetics of your firearms and accessories.
