# 3" SUNSHADES Safety Instruction Guide

## Introduction

Thank you for choosing the 3" SUNSHADES from Nightforce. These sunshades are designed to enhance your viewing experience by reducing glare from the sun. This guide provides essential safety information and instructions for the proper use and maintenance of your sunshades. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the sunshades are compatible with your specific Nightforce scope model (NXS, ATACR, BEAST, SHV) before use.
- Always inspect the sunshades for any damage or defects before installation.
- Keep the product out of reach of children and pets to avoid accidents.
- Do not use the sunshades for any purpose other than intended.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not force the sunshade onto the objective lens; ensure it threads smoothly to avoid damage.
- Avoid exposing the sunshades to extreme temperatures or harsh weather conditions, as this may affect their performance.
- Handle the sunshades with care to prevent scratches or other damage to the lens.
- If the sunshades become dirty, clean them with a soft, dry cloth. Avoid using abrasive materials that may scratch the surface.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the objective lens of your scope is clean and free of debris.
- Align the threads of the sunshade with the threads on the objective lens.
- Gently screw the sunshade onto the objective lens in a clockwise direction until securely fastened.
- Ensure there are no gaps between the sunshade and the lens.

### 2. Usage:

- Use the sunshade during bright sunlight conditions to minimize glare and enhance visibility.
- Adjust your position and the angle of the scope as needed for optimal viewing.
- After use, remove the sunshade by turning it counterclockwise and store it in a safe place.

## Disposal Instructions

- Dispose of the sunshades in accordance with local regulations for plastic waste.
- Do not dispose of the sunshades in regular household waste if they contain any hazardous materials.
- Consider recycling the product if the materials are recyclable.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or performance, please reach out to your local Nightforce distributor or authorized retailer. They will provide you with the necessary support and information.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following the guidelines and instructions provided in this manual, you can ensure the safe and effective use of your 3" SUNSHADES. Thank you for choosing Nightforce, and enjoy your enhanced viewing experience!
