

# **MATCH BARRELS for HIGH STANDARD - LSP ALUMA-LITE BARREL FOR HIGH STANDARD**

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

## **Replace Worn Or Shot-Out Barrels With Super-Accurate, Match Quality Models**

Precision-machined from Douglas Premium blanks and cut with a special match chamber. Two models: Match Bull Barrel is full-contour for greater forward weight, adds the "muzzle-heavy" feel, in a blued steel finish. Match Aluma-Lite Barrel features a turned down forward section that's sleeved with aluminum to help compensate for the weight of red-dot optics or a scope. Available in a two tone silver & black finish. Both feature a recessed target crown and are pre-drilled to accept the LSP Scope Mount listed elsewhere. Fits push-button, take-down models of High Standard.?

# **MATCH BARRELS for HIGH STANDARD LSP ALUMALITE BARREL**

## **Introduction**

Thank you for choosing the MATCH BARRELS for the HIGH STANDARD LSP ALUMALITE BARREL. This product is designed for precision shooting and is manufactured to the highest standards. To ensure safe and effective use, please read this safety instruction guide carefully.

## **General Safety Guidelines**

- Always treat all firearms and their components as if they are loaded.
- Ensure that you are in a safe environment when handling the barrel and firearm.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm usage and modifications.
- If you are unsure about any aspect of using this product, seek advice from a qualified professional.

## **Specific Safety Precautions for Use**

- **Potential Hazards:**

- Improper installation may lead to firearm malfunction.
- Using the barrel with incompatible firearms can cause serious injury.
- Heavy optics may affect the balance and handling of the firearm.

- **Avoiding Hazards:**

- Always ensure that the barrel is compatible with your specific High Standard model.
- Follow the installation instructions carefully to avoid improper fitting.
- Be cautious when mounting optics to ensure the firearm remains balanced and manageable.

- **Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Always wear appropriate eye and ear protection when shooting.

## **Instructions for Installation and Usage**

### **Installation**

1. **Preparation:**

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools, including a torque wrench if applicable.

2. **Removing the Existing Barrel:**

- Follow the manufacturer's instructions for removing the existing barrel from your High Standard firearm.

3. **Installing the MATCH BARREL:**

- Align the MATCH BARREL with the firearm's frame.
- Securely fasten the barrel according to the specifications provided in the firearm's manual.
- Ensure that the barrel is fitted snugly and that there are no gaps.

#### 4. Final Checks:

- Once installed, doublecheck that all components are secure.
- Inspect the barrel to ensure it is properly aligned and seated.

## Usage

- **Loading and Firing:**

- Load the firearm only when you are ready to shoot.
- Always aim in a safe direction and be aware of your surroundings.
- After firing, check the barrel for any signs of obstruction or damage before loading again.

- **Maintenance:**

- Clean the barrel regularly to maintain its performance.
- Use only recommended cleaning materials to avoid damaging the finish.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the barrel becomes damaged beyond repair, consult local regulations for proper disposal of firearm components.
- Ensure that any disposed components do not pose a risk to the environment or public safety.

## Contact Information for Further Support

For any inquiries regarding the MATCH BARRELS for HIGH STANDARD LSP ALUMALITE BARREL, please refer to the manufacturer's contact details provided with the product. Ensure you have the product information and any relevant details ready for a more efficient response.

By following these guidelines and instructions, you can ensure the safe and effective use of your MATCH BARRELS for HIGH STANDARD LSP ALUMALITE BARREL. Thank you for your attention to safety.
