# DELUXE HAMMER & PUNCH SET Safety Instructions

## Introduction

Thank you for choosing the DELUXE HAMMER & PUNCH SET by LYMAN. This product is designed for safe and effective use in various applications. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks.

## General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Store the product in a dry, safe place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use protective eyewear when operating the hammer and punch set to prevent eye injuries.
- Ensure the work surface is stable and secure before using the punches.
- Do not use excessive force when striking the punches; this may cause damage or injury.
- Keep hands clear of the striking area to avoid pinching or injury.
- Use the correct size punch for the job to prevent tool damage and ensure effective work.
- If the hammer or punches show signs of wear or damage, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the work area is clean and free of clutter.
- Gather all necessary tools and materials before starting.

### 2. Using the Punches

- Select the appropriate punch size based on the task requirements.
- Position the punch on the workpiece and ensure it is stable.
- Hold the punch firmly in place with one hand while using the hammer with the other hand.
- Strike the hammer firmly but not excessively to drive the punch into the workpiece.

### 3. Using the Hammer

- Grip the hammer by the knurled handle for a secure hold.
- Avoid striking the hammer against hard surfaces to prevent damage to the hammer face.
- After use, clean the hammer and punches to remove any debris.

### 4. Storage

- After use, return all components to the provided hardwood storage block.
- Store the product in a cool, dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in general waste if it contains hazardous materials.
