[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

## Lenard Brownell/Ruger 77-Style To Fit Most Bolt Actions

The classic shape and elegance of Lenard Brownell's famous cutaway bolt handle, made easier to install. Additional Remington-style surround metal at the attachment end of the handle makes silver soldering or welding faster and easier. Can be easily heated, shaped and adapted to fit most bolt actions.

# BOLT ACTION UNIVERSAL BOLT HANDLE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOLT ACTION UNIVERSAL BOLT HANDLE from BROWNELLS. This product is designed to enhance your bolt action rifle experience with improved functionality and ease of installation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only as intended, following the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including gloves and eye protection, when handling tools and equipment.
- Be cautious of sharp edges during installation and usage to prevent cuts or injuries.
- Ensure that the bolt handle is securely attached before operating the firearm.
- Do not attempt to modify the bolt handle beyond its intended use, as this may compromise safety.
- Avoid using the product in adverse conditions, such as extreme temperatures or wet environments, which may affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a soldering iron or welding equipment, and safety gear.
- Ensure the rifle is unloaded and in a safe position before beginning installation.

### 2. Installation Steps:

- Heat the attachment end of the bolt handle to the appropriate temperature for soldering or welding.
- Align the bolt handle with the bolt action of your rifle.
- Secure the handle in place using silver solder or welding, ensuring a strong bond.
- Allow the handle to cool completely before handling.

### 3. Usage:

- Once installed, test the bolt handle by cycling the action of the rifle to ensure smooth operation.
- Regularly check the attachment point for any signs of loosening or wear.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer in use, follow local waste disposal guidelines for metal products.
- Do not dispose of the product in household waste; consider recycling options where available.

## **Contact Information for Further Support**

For additional information, support, or inquiries regarding safety, please reach out to your local BROWNELLS representative or consult the official website.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the BOLT ACTION UNIVERSAL BOLT HANDLE.
