Safety Instruction Guide for 308 AR Armorers Block

Introduction

Thank you for purchasing the 308 AR Armorers Block by ERGO GRIPS. This product is designed to provide a secure and stable platform for cleaning, maintaining, and storing your AR10 rifle. The following safety instructions are designed to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the work surface is stable and secure before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not exceed the weight limit of the product.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before placing it on the block.
- Verify that the block is securely bolted or clamped to the work surface before use.
- Use the block only for the intended purpose of supporting an AR10 rifle.
- Avoid placing excessive force on the rifle while it is mounted on the block.
- Do not leave the rifle unattended while mounted on the block.
- Be cautious of sharp edges and moving parts during installation and use.

Instructions for Installation and Usage

1. Selecting the Work Surface

- Choose a flat and stable work surface, such as a workbench or table.
- Ensure that the surface can support the weight of the rifle and the block.

2. Securing the Block

- Use the provided mounting holes to bolt or clamp the block securely to the work surface.
- Ensure that the block is firmly attached and does not wobble.

3. Placing the Rifle

- Make sure the AR10 rifle is unloaded.
- Align the magazine well of the rifle with the block.
- Gently lower the rifle into the block, ensuring it is seated properly.

4. Cleaning and Maintenance

- Perform cleaning and maintenance tasks as needed while the rifle is secured in the block.
- Use appropriate cleaning supplies and follow the manufacturer's instructions for your rifle.

5. Storage

- When not in use, store the block in a dry and safe location.

- Keep the block away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the product if possible.
