Safety Instructions for BLADE & SCREW by MARBLE ARMS

Introduction

Thank you for choosing the BLADE & SCREW from MARBLE ARMS. This product is designed to provide reliable performance as a replacement sight screw. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product if it appears damaged or malfunctioning.
- Ensure that the product is used only for its intended purpose as described in the manual.
- Regularly inspect the product for wear and tear, and replace if necessary.
- Report any unsafe product incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate safety gear, such as goggles and gloves, when installing or handling the product.
- Avoid using excessive force when installing the screws to prevent stripping or damaging the material.
- Do not modify the product in any way, as this could lead to failure and potential injury.
- Be cautious of sharp edges when handling the screws, as they may cause cuts or punctures.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a screwdriver that fits the screws.
- Ensure that the work area is clean and free of obstructions.

2. Installation Steps

- Identify the correct location for the replacement sight screws on your device.
- Carefully remove any existing screws using the appropriate screwdriver.
- Align the new BLADE & SCREW in the designated area.
- Gently insert the screw and turn it clockwise until it is snug. Do not overtighten.
- Repeat the process for any additional screws.

3. Usage Tips

- After installation, test the functionality of the sight to ensure proper alignment and operation.
- Regularly check the screws for tightness, especially after heavy use.

Disposal Instructions

- Dispose of any old screws and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
