Safety Instruction Guide for RIFLE #63 FLAT TOP SHORT SHANK REAR SIGHT

Introduction

Thank you for choosing the RIFLE #63 Flat Top Short Shank Rear Sight by Marble Arms. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rear sight. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the rear sight.
- Inspect the rear sight for any damage or defects before use. Do not use if damaged.
- Keep the rear sight out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Use the rear sight only as intended and in conjunction with compatible firearms.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rear sight is securely mounted and properly aligned before use.
- Avoid using the rear sight in adverse weather conditions (e.g., heavy rain, snow) that may impair visibility.
- Do not attempt to modify the rear sight beyond manufacturer specifications.
- Ensure that your shooting environment is safe and secure, with a clear line of sight and a proper backstop.
- Always wear appropriate eye and ear protection when using firearms equipped with this rear sight.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing rear sight if necessary, following the manufacturer's instructions.
- Align the RIFLE #63 rear sight with the dovetail slot on the firearm.
- Use a sight pusher or appropriate tool to gently tap the rear sight into place until secure.
- Verify that the sight is level and properly aligned with the front sight.

2. Usage

- Adjust the sight picture according to your shooting preferences. Ensure that the sight is firmly in place before making adjustments.
- Test the rear sight at a safe shooting range to ensure proper function and alignment.
- If you experience any issues with the sight, stop using it immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the rear sight responsibly in accordance with local regulations.
- If the sight is damaged beyond repair, consider recycling materials if applicable.
- Do not dispose of the rear sight in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the RIFLE #63 Flat Top Short Shank Rear Sight, please contact the manufacturer or refer to the product packaging for additional support resources.

Thank you for your attention to these safety instructions. Your safety and the safety of others are paramount when using firearm accessories. Enjoy your shooting experience responsibly!
