

# BORELIGHT - MILITARIA BORELIGHT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bore Lights](#)

This borelight helps you ensure that your gun is thoroughly clean and obstruction free before storing it for the season or your next trip to the range. With a durable, aircraft aluminum housing, the light features a high-intensity LED emitter and a removable, 90 degree fiber-optic extension piece that allows you to easily view barrels, action recesses or other hard-to-see areas. Includes one AAA battery.

# BORELIGHT MILITARIA BORELIGHT Safety Instructions

## Introduction

Thank you for choosing the BORELIGHT MILITARIA BORELIGHT. This product is designed to help you ensure that your firearm is clean and free from obstructions. Please read and follow these safety instructions carefully to ensure safe and effective use of the borelight.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always keep the borelight out of reach of children and vulnerable individuals.
- Do not use the borelight for any purpose other than its intended use.
- Inspect the borelight for any damage before use. Do not use if damaged.
- Always handle firearms responsibly and in compliance with local laws and regulations.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not shine the borelight directly into anyone's eyes or look directly into the light.
- Ensure that the borelight is turned off when not in use to conserve battery life.
- Avoid exposing the borelight to extreme temperatures or moisture.
- Use the removable fiberoptic extension piece only as directed to prevent damage.
- Always store the borelight in a safe, dry place when not in use.

## Instructions for Installation and Usage

### 1. Inserting the Battery

- Open the battery compartment of the borelight.
- Insert one AAA battery, ensuring the positive (+) and negative (-) ends are aligned correctly.
- Close the battery compartment securely.

### 2. Using the Borelight

- Turn on the borelight by pressing the power button.
- If using the fiberoptic extension piece, attach it securely to the borelight.
- Insert the borelight into the barrel or area you wish to inspect.
- Adjust the angle of the fiberoptic extension piece as needed for visibility.
- Once finished, turn off the borelight and remove it from the barrel.

### 3. Cleaning and Maintenance

- Clean the exterior of the borelight with a soft, dry cloth.
- Do not use abrasive materials or solvents that may damage the surface.
- Store the borelight in a protective case to prevent damage.

## Disposal Instructions

- Dispose of the borelight in accordance with local regulations for electronic waste.
- Remove the battery before disposal and recycle it at a designated battery recycling location.
- Do not dispose of the borelight in household waste.

## **Contact Information for Further Support**

For any inquiries or support related to the BORELIGHT MILITARIA BORELIGHT, please refer to the manufacturer's website or contact your local retailer.

By following these safety instructions, you can ensure the safe and effective use of your BORELIGHT MILITARIA BORELIGHT. Thank you for your attention to these important safety guidelines.
