Safety Instruction Guide for EXTRACTOR, LEFT HAND MOSSBERG

Introduction

Thank you for choosing the EXTRACTOR, LEFT HAND MOSSBERG. This product is designed to provide reliable performance for your needs. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when using the extractor.
- Do not attempt to modify the extractor in any way.
- Use the extractor in a wellventilated area to avoid inhaling any harmful substances.
- Ensure that the extractor is securely attached before use to prevent accidental dislodgement.
- Never use the extractor if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

Instructions for Installation and Usage

Installation

1. **Check the Package Contents:** Ensure that all components are included in the package before starting the installation.
2. **Select the Right Tools:** Gather all necessary tools required for installation as per the manufacturer's instructions.
3. **Prepare the Workspace:** Make sure your workspace is clean and organized to avoid losing any small parts.
4. **Follow the Installation Steps:**
 - Remove the old extractor if applicable.
 - Align the new extractor with the designated slots.
 - Secure the extractor using the provided screws or fasteners.
 - Doublecheck that the extractor is firmly in place.

Usage

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and safe before attaching or using the extractor.
2. **Attach the Extractor:** Make sure the extractor is properly installed and securely fastened.
3. **Test the Functionality:** Before using in a live situation, test the extractor to ensure it operates correctly.
4. **Follow All Safety Protocols:** Always adhere to safety protocols when using the firearm with the extractor attached.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any specific disposal instructions provided by the manufacturer.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the EXTRACTOR, LEFT HAND MOSSBERG, please refer to the contact information provided in the product packaging or user manual.

Thank you for your attention to these safety instructions. Your safety is our priority.
