

S&W CLASSIC, PERFORMANCE CENTER & DX MODELS OVERMOLDED SIGHTS - HIVIZ .208" FRONT SIGHT, GREEN

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Improved Visibility In All Light Conditions

Replacement front sights work in conjunction with factory rear sights to give you fast sight acquisition in most light conditions. Machined steel body uses overmolded technology to completely cover and protect the light gathering, polymer LightPipe with an extra layer of clear polymer. Gunsmith fitting recommended. S&W CLASSIC, PERFORMANCE CENTER & DX MODELS - Interchangeable for different shooting distances and scenarios. Easy-to-see, bright red or green light rod makes target acquisition fast and efficient. Specially machined base is precision cut to fit factory ramp or base. Fits S&W Classic, Performance Center, and DX models.

Safety Instruction Guide for S&W CLASSIC, PERFORMANCE CENTER & DX MODELS OVERMOLDED SIGHTS HIVIZ .208" FRONT SIGHT, GREEN

Introduction

Thank you for choosing the S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .208" Front Sight, Green. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new front sight. Please read this document carefully before use to understand how to avoid potential hazards and ensure a safe experience.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm usage.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear before use.
- If you notice any abnormalities or malfunctions during use, discontinue use immediately and consult a qualified gunsmith.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Safety:** Always wear appropriate eye protection when handling firearms or installing sights.
- **Installation Safety:** Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- **Fitting:** Gunsmith fitting is recommended to ensure proper installation and to avoid potential hazards associated with improper fitting.
- **Light Conditions:** Be aware of your shooting environment and adjust your sighting accordingly for optimal visibility.
- **Target Acquisition:** Use the bright red or green light rod to enhance target acquisition, but remain aware of your surroundings.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before beginning installation.
- Gather necessary tools, including a gunsmithing tool kit, if required.

2. Installation Steps:

- Remove the existing front sight from your firearm using appropriate tools.
- Clean the sight base to ensure a secure fit for the new front sight.
- Align the HIVIZ front sight with the factory ramp or base.
- Secure the sight in place according to the manufacturer's specifications, ensuring it is fitted correctly.
- If unsure, seek assistance from a qualified gunsmith to ensure proper installation.

3. Usage:

- Once installed, familiarize yourself with the sight's functionality in a safe environment.
- Practice target acquisition in various light conditions to optimize your shooting experience.
- Regularly check the sight for stability and integrity before use.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the sight is damaged beyond repair, consult local waste management guidelines for proper disposal methods.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided with your purchase. Ensure you have your product details at hand for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .208" Front Sight, Green. Thank you for prioritizing safety in your firearm usage.
