

# 1911 GOVERNMENT BULL BARRELS - NOWLIN RAMPED 5" GOV'T 9MM BULL BARREL.

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

These super match-grade barrels are not "drop in," so the gunsmith can precisely fit them to a specific slide/receiver pair for the tightest lockup and best accuracy results. They come short chambered, so reaming to achieve correct headspace is required, as is fitting of the hood, lugs and feet. But the special geometry of Nowlin's pre-cut top lugs typically requires only minor fitting to achieve maximum lug engagement. Groove and bore tolerances are held to an amazing .0002" via state-of-the-art electro-discharge cathode machining (ECM), and rifling is ultra-smooth, uniform and precise. Smooth-cut rifling boosts velocity, while the unique angled edge on the driving band gives a better gas seal for reduced fouling with all types of bullets, plus longer barrel life. Puts extra weight where you need it most, right at the muzzle for controlling recoil and helping get a faster follow-up shot. Keeps the front sight down and on target. Replaces bushing and increases lockup area for improved accuracy.

## Attributes

- Name: [NOWLIN RAMPED 5" GOV'T 9MM BULL BARREL.](#)
- Manufacturer: [NOWLIN](#)
- Product no.: 654000070
- Mfr. No.: RB-5BBG-9
- Barrel Length: 5"
- Cartridge: 9 mm Luger
- Finish: Stainless Steel
- Model: -
- Style: Ramped
- Weapon type: 1911
- Delivery weight: 0.188kg
- Shipping height: 38mm
- Shipping width: 127mm
- Shipping length: 229mm
- UPC: 085382302454

## Item details

Made in USA

US export classification: 0A501.c

# Consumer Safety Instruction Guide for 1911 GOVERNMENT BULL BARRELS NOWLIN RAMPED 5" GOV'T 9MM BULL BARREL

## Introduction

Thank you for purchasing the 1911 GOVERNMENT BULL BARRELS NOWLIN RAMPED 5" GOV'T 9MM BULL BARREL. This guide provides important safety information and instructions to ensure the safe use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the barrel by following all instructions and safety precautions.
- Be aware of potential hazards associated with the use of firearms and their components.
- Always handle firearms with care and in accordance with local laws and regulations.
- Use protective eyewear when working with firearms to prevent injury.
- Keep firearms and their components out of the reach of children and unauthorized users.
- Regularly check for any recalls or safety updates related to your product.

## Specific Safety Precautions for Use

- Only use the barrel with compatible 1911 models.
- Ensure that the barrel is properly fitted by a qualified gunsmith to avoid malfunctions.
- Be aware that the barrel is short chambered and requires reaming for correct headspace.
- Inspect the barrel for any signs of damage before each use.
- Always ensure the firearm is unloaded before performing any maintenance or installation work.
- Avoid using ammunition that exceeds the specifications for the barrel to prevent dangerous malfunctions.
- Do not modify the barrel or firearm in any way that could compromise safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools and a clean workspace.
- Gather all components required for installation.

### 2. Fitting the Barrel:

- Consult a qualified gunsmith for precise fitting to your specific slide/receiver pair.
- The gunsmith will need to fit the hood, lugs, and feet for optimal performance.

### 3. Reaming for Headspace:

- The barrel comes short chambered; reaming is necessary to achieve correct headspace.
- This should only be performed by a qualified gunsmith.

### 4. Installation:

- Follow the gunsmith's instructions for installation.
- Ensure that the barrel is securely locked in place.

### 5. Post Installation Check:

- After installation, check the fit and ensure there is no movement.
- Test the firearm in a safe environment to ensure proper function.

## 6. Usage:

- Always follow safe shooting practices.
- Maintain control of the firearm at all times, especially during recoil.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, consult local waste management facilities for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

## Contact Information for Further Support

- For any safety inquiries or concerns, please consult the manufacturer's website or contact their customer service department.

## Conclusion

Your safety is of utmost importance. By following the guidelines and instructions in this manual, you can ensure the safe and effective use of the 1911 GOVERNMENT BULL BARRELS NOWLIN RAMPED 5" GOV'T 9MM BULL BARREL. Always prioritize safety and seek professional assistance when needed. Thank you for choosing our product.
