Safety Instruction Guide for METALITE CLOTH ROLLS

Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for metalworking professionals and is ideal for various applications such as coarse sanding, fine polishing, rust removal, scouring, deburring, and finishing hard or ferrous metals. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe handling and use of the product at all times.
- Always wear appropriate personal protective equipment (PPE), including gloves, goggles, and a dust mask, when using this product.
- Keep the work area clean and welllit to avoid accidents.
- Store the product in a dry, cool place away from direct sunlight and moisture.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Dust particles generated during use may be harmful if inhaled.
 - Sharp edges of metal surfaces being worked on can cause cuts or injuries.
- **Instructions for Avoiding Hazards:**
 - Use in a wellventilated area to minimize inhalation of dust.
 - Avoid direct skin contact with the abrasive surface.
 - Ensure that the workpiece is securely clamped or held to prevent movement during sanding or polishing.
 - Do not use the product on materials for which it is not intended.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your sanding or polishing tool is compatible with the METALITE CLOTH ROLL.
 - Attach the cloth roll securely to the tool according to the manufacturer's instructions.
- **Usage:**
 - Start with a coarse grit if removing heavy rust or material, then progress to finer grits for finishing.
 - Apply even pressure while using the cloth roll to achieve consistent results.
 - Do not force the tool; let the abrasive cloth do the work.
 - Tear the cloth roll straight at the edge to avoid shredding and ensure optimal performance.
- **PostUse:**
 - Clean the work area of any debris and dust generated during use.
 - Inspect the cloth roll for wear and replace it if necessary.

Disposal Instructions

- Dispose of used METALITE CLOTH ROLLS in accordance with local regulations.
- Do not dispose of the product in household waste if it contains hazardous materials.
- Consider recycling options for the cloth roll if applicable.

Contact Information for Further Support

For any questions or concerns regarding the METALITE CLOTH ROLLS, please refer to the product packaging for contact information of the manufacturer or supplier. It is important to have an EUbased contact for safety inquiries.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective working experience with the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL.
