Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ FLEX

Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX. This product is designed for metalworking professionals and hobbyists alike, providing a reliable solution for sanding and polishing ferrous metals. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) when using this product, including safety goggles, gloves, and a dust mask.
- Ensure that the workspace is wellventilated to avoid inhaling dust and particles generated during use.
- Keep the product out of reach of children and unauthorized users.
- Do not use the cloth rolls for purposes other than those intended, such as sanding or polishing materials other than ferrous metals.
- Regularly inspect the cloth rolls for any signs of wear or damage before use. Do not use if damaged.

Specific Safety Precautions for Use

- **Handling and Storage:**

- Store the cloth rolls in a cool, dry place away from direct sunlight and moisture.
- Handle with care to avoid tearing or damaging the cloth material.

- **During Use:**

- Do not exceed the recommended speed of the tool being used with the cloth rolls.
- Use appropriate backing pads or tools designed for the cloth rolls to prevent slippage and ensure safety.
- Avoid applying excessive pressure during sanding or polishing to prevent accidents and ensure a longer uselife of the product.

- **Disposal:**

- Dispose of used cloth rolls in accordance with local regulations. Do not dispose of in regular household waste if they are contaminated with hazardous materials.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the tool you are using is turned off and unplugged.
2. Select the appropriate width of the cloth roll (1" or 1½").
3. Securely attach the cloth roll to the tool, following the manufacturer's instructions for your specific tool.

- **Usage:**

1. Turn on the tool and allow it to reach the desired speed before making contact with the workpiece.
2. Gently apply the cloth roll to the surface, following the contours of the material.
3. Move the cloth roll steadily across the surface to achieve the desired finish.

4. After use, turn off the tool and remove the cloth roll carefully.

Disposal Instructions

- Used cloth rolls should be disposed of in accordance with local waste management regulations.
- If the cloth rolls are contaminated with hazardous materials, follow your local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please consult the manufacturer's website or contact your local distributor.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the METALITE CLOTH ROLLS NORTON EZ FLEX. Always prioritize safety and report any unsafe conditions or incidents to the relevant authorities. Thank you for your attention to these important guidelines.
