## Smooth Those Hard-To-Reach Spots For Lightest Pull

You can't get a great action job with out cleaning up every bit of roughness inside the Single Action Army's frame. You'll be amazed at how much you can reduce the single action's cocking effort and lighten perceived trigger pull without ever touching the critical trigger/hammer notches. Well worth the effort on first and second generation Colts, especially important on 3rd generation and clones with cast or roughly forged frames. The MF-414 stone fits nicely in the hand slot and cuts quickly to get rid of casting roughness. Follow with the HF-823 to make a slick, polished path for the hand. Use the MF-14 to round the nose of the hammer notch. Thanks to Eddie Janis of Peacemaker Specialists for his help with this kit.

# Colt Single Action Hand Slot Stoning Kit Safety Instructions

## Introduction

Thank you for choosing the Colt Single Action Hand Slot Stoning Kit by Brownells. This kit is designed to help you achieve a smoother action on your Colt Single Action Army revolver. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the stoning kit in a wellventilated area to avoid inhaling dust particles.
- Wear appropriate personal protective equipment, including safety goggles and a dust mask, to protect against debris and dust.
- Keep the kit out of reach of children and unauthorized users.
- Do not use the stones for any purpose other than intended. Misuse can lead to injury or damage to the product.
- Regularly inspect the stones for wear and damage. Replace any worn or damaged stones immediately.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded and pointed in a safe direction before beginning any work.
- Avoid applying excessive force when using the stones, as this can lead to loss of control and potential injury.
- Use the stones only on the designated areas of the firearm to prevent accidental damage to other components.
- Be cautious of sharp edges on the stones. Handle them with care to avoid cuts or abrasions.
- Follow the manufacturer's instructions for each stone to ensure proper usage.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and organized.
- Gather all necessary tools and materials, including the stoning kit and safety equipment.

### 2. Using the MF414 Stone

- Hold the MF414 stone firmly in the hand slot.
- Lightly apply the stone to the rough surfaces inside the frame of the revolver.
- Work in a smooth, controlled manner to remove casting roughness.

### 3. Using the HF823 Stone

- After using the MF414, take the HF823 stone.
- Use it to polish the areas previously stoned with the MF414.
- Ensure a slick, smooth finish by applying even pressure.

### 4. Using the MF14 Stone

- Use the MF14 stone to round the nose of the hammer notch.
- This will help reduce cocking effort and improve trigger pull.

### 5. Cleaning Up

- After use, clean the stones and workspace to remove dust and debris.
- Store the stones in the padded plastic box to protect them from damage.

## **Disposal Instructions**

- Dispose of any worn or damaged stones in accordance with local regulations.
- Do not dispose of stones in regular household waste. Check for local recycling or hazardous waste disposal options.
