Safety Instruction Guide for NORTON PREMIUM HARD ARKANSAS STONES BROWNELLS HF33 HARD SQUARE ARKANSAS STONE 3X3/8"

Introduction

Thank you for choosing the Norton Premium Hard Arkansas Stones. These ultrafine stones are designed for professional use in various applications, including gunsmithing, woodworking, and tool sharpening. This guide provides essential safety information to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure safe handling and use of the Arkansas stones to prevent accidents.
- Keep the product away from children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the stones.
- Be aware of the risks associated with sharp tools and materials during sharpening and fitting processes.
- Regularly check for recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Arkansas stones only for their intended purpose – sharpening and finishing tools.
- Do not apply excessive pressure while using the stones to avoid injury or damage to the stone.
- Ensure that the work area is clean and welllit to prevent accidents.
- Store the stones in a safe place, out of reach of children and pets.
- If the stone becomes damaged or shows signs of wear, discontinue use and replace it.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure that the work surface is stable and clean.

2. Using the Arkansas Stones

- Hold the stone securely on a flat surface.
- For best results, use a light, consistent pressure when sharpening tools.
- Move the tool across the stone in a steady motion, maintaining the correct angle for sharpening.
- Clean the stone regularly to remove metal filings and debris.

3. PostUse Care

- After use, clean the stone with a soft brush or cloth to remove any residue.
- Store the stone in a dry place to prevent moisture damage.

Disposal Instructions

- Dispose of the Arkansas stones in accordance with local regulations.
- If the stone is damaged and cannot be reused, consider recycling options where available.
- Do not dispose of the stone in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Norton Premium Hard Arkansas Stones. Thank you for your attention to safety and for choosing our product.
