

FIBER OPTIC FRONT SIGHTS RED - NOVAK FIBER OPTIC FRONT SIGHT, RED, .180" HIGH, FITS COLT 1911

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Front sight can also be used with Novak's plain, wide-notch rear. Kimber and Taurus front sights are the same height as factory sights and fit factory dovetails; no machining required.

FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT. This product is designed to enhance your shooting experience by utilizing advanced light gathering properties. This safety instruction guide is designed to help you understand how to use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the front sight.
- Use the product only as intended and according to these safety instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the front sight for any signs of damage or wear before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Shooting Environment:** Always be aware of your surroundings when using the front sight. Ensure you are in a safe shooting environment.
- **Low Light Conditions:** The fiber optic feature is designed for low light conditions; however, always ensure proper lighting and visibility.
- **Proper Handling:** Handle your firearm and the front sight with care to avoid accidental discharge or damage.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that minors are supervised if they are present during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front sight by following the manufacturer's instructions for your specific firearm model.
- Align the new FIBER OPTIC FRONT SIGHT in the dovetail slot.
- Secure the front sight according to the manufacturer's guidelines, ensuring it is properly fitted and stable.

2. Usage:

- When aiming, ensure that the fiber optic rod is properly illuminated by ambient light for optimal visibility.
- Use the front sight in conjunction with a compatible rear sight for best results.
- Practice regularly to become familiar with the sight alignment and target acquisition.

3. Maintenance:

- Regularly clean the front sight to remove dirt and debris.
- Inspect the fiber optic rod for any signs of damage or wear, and replace it if necessary.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, use designated recycling or hazardous waste facilities if applicable.

Contact Information for Further Support

- For any questions or concerns regarding the FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT, please refer to the manufacturer's support resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT. Thank you for prioritizing safety and responsibility.
