

FIBER OPTIC FRONT SIGHTS for GLOCK® - NOVAK TACTICAL FRONT SIGHT, GREEN

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Steel Replacement Sights For All Light Conditions

Precision machined, snag-free, steel front fiber optic sights enable you to find the target quickly in all types of light conditions. Front sights replace Glock® factory sights with screw-in installation and slightly angled front edge to prevent snagging. Tactical front sight covers both sides of light insert for maximum concealability;

FIBER OPTIC FRONT SIGHTS for GLOCK® NOVAK TACTICAL FRONT SIGHT, GREEN Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS for GLOCK® NOVAK TACTICAL FRONT SIGHT, GREEN. This guide provides essential safety instructions and information to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific model of Glock® handgun before installation.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Inspect the sight for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the sight only for its intended purpose as a front sight for Glock® handguns.
- Avoid using the sight in extreme weather conditions that may affect visibility or functionality.
- Do not attempt to modify the sight in any way, as this may compromise safety and performance.
- Ensure that the sight is securely installed before using the firearm.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver compatible with the sight screws.
2. **Remove Factory Sight:**
 - Unload the firearm completely.
 - Use the appropriate tool to remove the factory front sight from the Glock® handgun.
3. **Install the New Sight:**
 - Align the new FIBER OPTIC FRONT SIGHT with the mounting hole.
 - Insert the screw and tighten securely, ensuring it is snug but not overly tight to avoid stripping the screw.
4. **Check Alignment:**
 - Ensure that the sight is properly aligned for optimal accuracy.
 - Make any necessary adjustments before use.

Usage Instructions

- When aiming, ensure that the fiber optic sight is clearly visible and aligned with your target.
- Practice regularly to become familiar with the sight's functionality in various lighting conditions.
- Clean the sight regularly to maintain clarity and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components.

Contact Information for Further Support

For any questions or concerns regarding the FIBER OPTIC FRONT SIGHTS for GLOCK® NOVAK TACTICAL FRONT SIGHT, GREEN, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new front sights. Thank you for prioritizing safety and responsible firearm handling.
